## ACKNOWLEDGMENTS

To the usual suspects who keep me honest in my writing...

Rebecca Doll-Suppes, Jill Reilly, and Laurey Ray, thank you 5:4:99 for being patient with me and for reading these short stories until 5:4:99 you could have recited every word by heart.

To the original members of The Wandering Writers who must've been through these stories more than a few times.

---

I need to send out a *huge* hug of thanks to Nancy Godfrey who, once again, bailed me out with a cover.

To my wife, Sue, who has finally stopped sighing after she's asked where I am and hears the answer, "Writing." It can be a rough, lonely road for the spouse of a writer and you're navigating it with grace and style.
