A Marine's Story

Preface

'A Marine's Story' will take you back to 1989. I was a twenty-eight year old Marine Corporal stationed with Marine Aircraft Group 12, Marine Corps Air Station, Iwakuni, Japan.

I will share with you my deployments to South Korea, Mainland Japan, and Subic Bay (Philippines – former home of the Navy's 7th Fleet) located just outside of Olongapo City, known as, Sin City.

Together, we'll march across 'Shit River' and venture into a community that over flowed with poverty, sex trade, alcohol, and drugs. Twenty-five years have passed since my return to the Philippines.
