## **PROLOGUE**

**Frank**

---

When I devised a plan to A Thug Stole My Heart 3 kidnap Dr. Harrison, I did it to get back at Ike. My sole reason for taking her was to get back at him. Now that I have her, I don't know exactly what I'm going to do with her. I had not thought about my plan that far ahead. I did A Thug Stole My Heart 3 think far enough ahead to get some duct tape. I reach over and get the tape out of the glove compartment. The last thing I need is for her to start screaming when we get back to the motel.

"What are you going to do with that?" She asks, looking at me with fear in her eyes.

"I'm going to put this on your mouth to keep you from alerting anyone of your presence when we get where we're going. I don't need anyone trying to play Captain Save a Hoe or call the police," I tell her.

She doesn't say anything. I pull a piece of tape off and hand it to her.

"Put this on," I tell her.

"But..." she begins but I interrupt her.

"If I have to put it on you, I won't be so nice."

---

She puts the piece of tape on her mouth.

A Thug Stole My Heart 3

“Do I need to tie up your hands and feet too?” That’s when I produce my .45 that I had kept hidden until now. She never knew that I had it up until this point.

She shakes her head no.

“Okay. Don’t make me have to use this,” I tell her.

She shakes her head again. She better not fuck around and get herself shot. I’m warning her so if I have to hurt her, it will be her fault. I never wanted things to get this far. But Ike drove me to do this shit. Once we get to the motel, I drag her roughly out of the car and throw her on the bed. She looks at me with big eyes and I know she’s afraid. Good. That’s exactly how I want her to feel so she doesn’t try anything.

I lock the door and begin A Thug Stole My Heart 3 to pace back and forth. I’m trying to figure out what to do next. I could call Ike and let him know that I have his bitch. I’m almost out of funds so I can hold her A Thug Stole My Heart 3 for a ransom. Or I could tell him I have her and exchange her for Tanisha. That should be interesting; to see if he would trade his sister for A Thug Stole My Heart 3 the doctor. He claims to care about his family so much. This could be the ultimate display of his love, but A Thug Stole My Heart 3 for who? I don’t know what I will do with the doctor, but whatever it is, I’ll make sure Ike feels it all the way to his fuckin’ soul.

---

For now, I am going to tape her hands and feet so she can't get away. I am tired as fuck and I don't feel the need to sit there and watch so the doctor don't run away. I grab the tape and tie her feet together. Then I tie her hands A Thug Stole My Heart 3 together and tie them to the chair.

"I'm A Thug Stole My Heart 3 sorry to have to put you in this A Thug Stole My Heart 3 chair all night, but I'm tired as fuck. I need to get some sleep. Do the best you can to get some sleep. This should all be over soon," I tell her.

I walk in the bathroom and start the water to take a shower. I jump in and wash all the day's activities off me. When I'm done, I wrap myself in a towel and A Thug Stole My Heart 3 walk back into the room. She is still sitting in the chair, pissed. I drop the towel just to see if she looks my way. When she turns her head the other way, that shit pisses me off.

"I didn't want your ole bougie ass any fuckin' way!" I tell her and climb in A Thug Stole My Heart 3 the bed. Not long after I climb in bed, my eyes start to get heavy. I close them, confident that when I wake up in A Thug Stole My Heart 3 the morning, A Thug Stole My Heart 3 Dr. Harrison will still be where I put her.

The next morning, I wake up and turn the television on. The first thing I see being reported is a house fire in the 500 block of Lawrence Street. I turn the volume up.

"The fire was reported at two-thirty this morning by a neighbor who called 911. Firefighters

---

and police arrived to find this house fully engulfed in flames. Once the fire was put out the bodies of seven people, five men and two females, were discovered. Two of the men were discovered outside the residence shot to death. The other bodies are being examined by the medical examiner. Police will continue to search through the debris and investigate this fire until they get the answers they need. If you have any information, please call the number on the screen. Police will keep your information confidential. This is Steven Newton reporting for WCHI News," the reporter says.

I am looking at this house and I can see that it is Tip's shit that's up in flames. I know that Ike and his crew had something to do with that shit. Damn. They killed A Thug Stole My Heart 3 that nigga. I wonder if Tip told Ike that I've been doing business in his territory. Naw. I don't think he would tell even if they were threatening to kill him. That nigga ain't no snitch. He would have went to the grave with my business. That I know.

"Do you need to pee?" I ask the doctor.

She nods her head yes. "I'm gonna untie you so you can use the bathroom. I can fix you a bowl of cereal and then I will put the tape back. If you scream, try to run or anything like that, I will shoot you. How do you think your man would feel if I killed you? Don't make me do it."

I walk over to her and take the tape off her mouth first. Then her hands, and then her feet. She walks into the bathroom and tries to close the door.

I put my foot between the door and the frame, keeping A Thug Stole My Heart 3 the door from closing. "Leave it open."

---

She rolls her eyes but leaves the door open. She does her business and A Thug Stole My Heart 3 returns to the room after flushing the toilet. "I didn't get you a toothbrush, but you can use my toothpaste and a towel to brush your teeth. And there's some milk and cereal in the fridge."

She does what I suggest with the towel and the toothpaste. She walks out of the bathroom and sits back in the chair. "Do you want some cereal?"

"I don't want anything from you. All I want is to go home," she says with an attitude.

"Damn! All I'm trying to do is give you something to eat and this is the thanks I get."

## **A Thug Stole My Heart 3**

The bad risk is if it cannot make and take because clear credit in public as they make supporting your capability.
