A Special Message from the Publisher Regarding the 1997 Revised and Enlarged Edition of *Armageddon: Appointment With Destiny* By Grant R. Jeffrey

Grant Jeffrey's book, *Armageddon: Appointment With Destiny*, became an instant international bestseller when it was published for the first time in 1989. During the last eight years, over half a million readers were fascinated by the brilliant and original research presented by Mr. Jeffrey in his well-written exploration of the phenomenal accuracy of Bible prophecies. This book went through eleven printings and has been published in numerous languages including Spanish, Korean, Japanese, and Chinese. Many of the *Armageddon: Appointment with Destiny* greatest Bible prophecy teachers and writers have endorsed *Armageddon*. Hal Lindsey, this century's most popular prophecy writer, wrote that "Grant Jeffrey is recognized as the leading researcher in Bible Prophecy today."

However, over the last eight years since *Armageddon* first appeared, the world has been shocked by massive political, military, and economic changes. These major events include the collapse of the USSR, the rise of China as a new economic and military superpower, and the troubled peace process in the Middle East between Israel and her enemies. Many readers have written to ask questions about how these events and trends impact the fulfillment of the Bible prophecies leading to the return of Jesus Christ as the Messiah.

In response to these requests, Grant has thoroughly revised, updated, and enlarged his book *Armageddon: Appointment With Destiny* by adding more than eighty new pages of up-to-the-minute research on how world events are setting the stage for the earth-shaking cataclysm known in the Bible as the Battle of Armageddon. This newly revised and expanded edition of *Armageddon* will allow readers to go behind the headlines and the news sound-bites. Readers will gain an in-depth understanding of the prophetic importance of the vital news stories and developments in Washington, Moscow, Beijing, and Jerusalem.

We trust you will enjoy this thought-provoking and important study on the fascinating prophecies that are being fulfilled in our generation.

A book like *Armageddon: Appointment With Destiny* is the result of the reading and inspiration of thousands of books, articles, and commentators, plus countless hours of Bible study over the last thirty years. Although almost one hundred volumes are referred to in the footnotes and selected bibliography, these books represent only a fraction of the authors who have influenced and challenged my thinking. However, the inspired Word of God is the major source for my studies as reflected in this book.

My parents, Lyle and Florence Jeffrey, instilled in me a profound love for the Lord and His Word *Armageddon: Appointment with Destiny* and have continually encouraged me in this project.

I would like to dedicate this book to my loving *Armageddon: Appointment with Destiny* wife, Kaye, who is a faithful partner *Armageddon: Appointment with Destiny* in our ministry and publishing house. She is a continual encouragement, my partner and the inspiration to my efforts to share my research with others.

I trust that the information revealed in the following pages will encourage you to carefully study the prophecies found in the Word of God and increase your personal faith in the Lord Jesus Christ as your Savior.
