## Just Before We Start...(Please Read!)

We are in the age of information, and to put it straight, we are in the age of information overload. Many people have lost track Audible & Kindle Unlimited Memberships: A Guide to Understanding These Two Amazon's Subscription Services of keeping up to date. They are fed up of information and they don't even know what to read and what not to. These set of people love information but they are overwhelmed by it.

Many of us are suffering from information overload, in fact, a survey by Reuters once found that two-thirds of managers believe that the data deluge has made their jobs less satisfying or hurt their personal relationships. One-third think that it has damaged their health. Another survey suggests that most managers think most of the information they receive is useless. So this means many you are not the only one having this problem.

What of if there is a way out. Being an infovore myself, I have realized Audible & Kindle Unlimited Memberships: A Guide to Understanding These Two Amazon's Subscription Services that we need a holistic approach to solve the problem of information overload. We need to change what we eat, where we read, how we plan our time, the number of hours we read, how will filter Audible & Kindle Unlimited Memberships: A Guide to Understanding These Two Amazon's Subscription Services what we read and so on, in order to really get over this scourge.
