FINDING INFORMATION PRODUCTS

<https://accounts.clickbank.com/marketplace.htm>

The great thing about searching on Clickbank is you'll know exactly if your chosen niche is making money or not.

Go to the clickbank marketplace and search for your topic.

If there are products being sold, that's a pretty good indicator that there is money to be made in that niche.

Also, the higher the GRAVITY, the better – it means affiliates BROKE AFFILIATE METHOD: Start Your Affiliate Business Even with Zero Capital... 3 in 1 Internet Marketing Bundle are making money selling that BROKE AFFILIATE METHOD: Start Your Affiliate Business Even with Zero Capital... 3 in 1 Internet Marketing Bundle product.

Another thing that you can do if you don't have a topic in mind is to search for random niches and sort via POPULARITY.

You'll see the most popular products and niches and see if it matches your passion or your book idea.

We're not done yet!

If you BROKE AFFILIATE METHOD: Start Your Affiliate Business Even with Zero Capital... 3 in 1 Internet Marketing Bundle still don't have a book topic by now – simply go to categories and search for a product that has at BROKE AFFILIATE METHOD: Start Your Affiliate Business Even with Zero Capital... 3 in 1 Internet Marketing Bundle least 30 in gravity.

I'll do a random search and choose the SELF-HELP category.

These products show up.

I recommend that you choose a product that has a commission of at least \$25.

Also, the higher the gravity, the more affiliate are making money promoting that product.

Don't be afraid of the BROKE AFFILIATE METHOD: Start Your Affiliate Business Even with Zero Capital... 3 in 1 Internet Marketing Bundle competition! I'll teach you how to outrank them on chapters 3 and 4.

Choose something that has a gravity of at least 20.

To validate your product profitability, go to youtube and search for "your product name + review).

If there are video reviews about that product, then that's a good sign that people are searching for this product and other affiliates are selling it. In this case, competition is good!
