Introduction to Berlin

The capital of Germany, Berlin is a huge city that encompasses all the things tourists look for when traveling through Europe. From beautiful architecture and interesting museums, Berlin has a whole island of museums, to large parks and futuristic skyscrapers, tourists get to experience the true German lifestyle. With a population of around 3.5 million inhabitants, Berlin is one of the most populous cities in Europe.

It also has a long and tumultuous history Berlin Travel Guide: The Top 10 Highlights in Berlin (Globetrotter Guide Books) that has left its fingerprint on Berlin Travel Guide: The Top 10 Highlights in Berlin (Globetrotter Guide Books) the streets, buildings and culture of this great city. Berlin's first historical documentation dates back from 12th century, Berlin Travel Guide: The Top 10 Highlights in Berlin (Globetrotter Guide Books) but during the Second World War is when Berlin went through its toughest times. After Germany was divided, the capital was also split in two, which significantly changed its landscape and its culture. In 1961, East Germany Berlin Travel Guide: The Top 10 Highlights in Berlin (Globetrotter Guide Books) began building the Berlin Wall that divided an entire city into two different worlds. From that moment on, the two sides of the city began to develop in two different directions, until the end of the Cold War Berlin Travel Guide: The Top 10 Highlights in Berlin (Globetrotter Guide Books) when the Wall fell and Berlin was unified once again. After 1989, the city started to blend the culture of East and West Berlin. Berlin Travel Guide: The Top 10 Highlights in Berlin (Globetrotter Guide Books) In just a few years the capital of Germany became the Berlin Travel Guide: The Top 10 Highlights in Berlin (Globetrotter Guide Books) hotspot for great art, science and culture.

Because it's such a large city, the best way to actually see it is by using its very efficient public transportation system. Whether you choose the bus, the train (S-Bahn), the underground (U-Bahn), the tram or even the ferry, you won't have any problems understanding it. Basically the U-Bahn operates between the city's borders, while the S-Bahn is mostly for commuters and rapid transit. However, if you want to drive around the city, make sure you get a special environmental sticker called Umweltplakette so that you'll be able to get into the green zone which is Berlin Travel Guide: The Top 10 Highlights in Berlin (Globetrotter Guide Books)

basically the metropolitan area of Berlin. You can get the sticker at any garage or even order it online.

Berlin has six districts, each with their own architecture, culture and many things to see and experience. The historical center of the city is called Mitte and is also the former center of East Berlin. The East Central district is known as the noisier one but also as the trendier part of town more popular among artists and students. The City West has the main shopping streets but also some of the main touristic attractions like Tiergarten and Charlottenburg Palace. The East district was part of Eastern Berlin and here you can really discover the history of that city, while the North district is more of a quite area, very different from the busy city center. And finally, the South district is an eclectic borough which mixes the entire culture and history of all the remaining districts.

1. Brandenburg Gate

Berlin's best known symbol is definitely the Brandenburg Gate. The Neoclassical Gate is swarmed by thousands of tourists each year and is one of the most photographed monuments in Europe.

Built between 1788 and 1791, this is not only the last gate of the city, but also the spot where some Berlin Travel Guide: The Top 10 Highlights in Berlin (Globetrotter Guide Books) of the most famous political leaders in the world held inspiring speeches and announced key moments in the universal Berlin Travel Guide: The Top 10 Highlights in Berlin (Globetrotter Guide Books) history. After the wall was torn down, the Brandenburg Gate became a symbol for the new and unified Berlin.

The gate marks the entrance in Unter den Linden, one of the main boulevards of Berlin Travel Guide: The Top 10 Highlights in Berlin (Globetrotter Guide Books) the Mitte district. The gate was designed by Prussian architect Carl Gotthard Langhans after it was commissioned by the King of Prussia, Frederick William II.
