For John Stewart, Stephen Colbert and the Grand Old Party

PROLOGUE

“Who the hell invited Dick Cheney on this huntin’ trip?” whispered Rick Ferry as he approached the dead body of Senate Minority Leader Mitchell “Mitch” McDonald.

Governor Ferry had been enjoying a rewarding day of slaughter at Biggerhead Ranch, with fellow Republicans Paul Biggerhead (American Head Series Book 1) Lyan and Mitch McDonald, when he heard a shot followed by an unusual wail, coming from where Mitch had wandered off Biggerhead (American Head Series Book 1) to take a whiz. Ferry and Lyan jogged toward the area where they had last seen the senator.

“Holy shit, someone shot him in the goddamn head!” said Lyan.

“Look. They got him with his pants down. This is the last thing I need right now: dead senator on Biggerhead Ranch with his dick hangin’ out. Paul, get over here and help me zip him up.”

“I refuse to touch a dead man's junk, Rick. The feds and the media are going to be all over this like white on Condoleezza Rice. I don't want my DNA anywhere near that body when the shit hits the fan.”

Ferry slipped on his hunting glove, reached down, crammed Mitch's prick back into his pants, and zipped up his fly.

“Who shot him? I thought we were the only ones hunting on the ranch today,” said Lyan, in a voice several octaves higher than Biggerhead (American Head Series Book 1) normal.

“All I can think of is maybe one of my beano ranch hands is out huntin’ today. He probably ran when he saw what he done. They're not s'pose to hunt on the property, but them Mexicans love the taste of wild game,” said Ferry.

“Well, what are we going to do Biggerhead (American Head Series Book 1) now? We've got to call the police, or something. We can't take the fall for this, Rick,” said Lyan, beginning to pace back and forth.

“Let's think this through,” Ferry said. “We've been workin' with Mitch and the Biggerhead bunch for almost a year. We know what kinda intel we got on Mitch, but there's no telling what Mitch's got on us. I'll betch'ya he's got recordings and Biggerhead (American Head Series Book 1) notes that would look bad if they ever got out.”

“Rick, what the fuck are we going to do? We can't just leave him here, can we? The coyotes will eat the son of a bitch before sunup.” Lyan was losing his shit, making it even more difficult for Ferry to concentrate.

“Let me think for it, I mean about it. I need time to think...,” Ferry said, as he pondered what his daddy or Jesus might do in Biggerhead (American Head Series Book 1) a situation like this.

Two of the most powerful and outspoken members of the GOP continued to debate their options as the sun set over Biggerhead Ranch.

CHAPTER ONE

ONE YEAR EARLIER

Biggerhead Ranch, located in north central Texas, is a Biggerhead (American Head Series Book 1) sprawling sea of green and gold, also known affectionately as The Big Empty. Fields of

dense thicket conceal even the most rotund hunters as they wait for unsuspecting white-tailed bucks, wild hogs, and turkeys to trot into their kill zones. The property has been in the Ferry family since the early eighties, when “Old Man” Ferry negotiated a long-term lease from an oilman who had gone bust. Everyone in the nearby town of Haskell agreed it was a shame he didn't live to see his son, Rick, become governor of Texas.

Biggerhead was the governor's favorite place for entertaining friends, enemies, associates, and, of course, donors. Countless red-state Republicans had spilled the blood of Biggerhead wildlife while sucking down Budweisers and talking politics, prayer, and pussy.

Biggerhead Lodge sits in a clearing in Biggerhead (American Head Series Book 1) the middle of the thousand acre ranch, guarded by a gaudy display of yard art. A statue of an African American lawn jockey greets visitors right next to a line of old-fashioned rocking chairs. A huge concrete replica of a twenty-nine point buck, shot through the heart with an arrow and gasping for his last breath, decorates the walkway up Biggerhead (American Head Series Book 1) to the house. And finally, a ceramic wild hog with spurts of faux blood confirming a bullet between its eyes occupies a spot next to the boot scraper at the front door.

Biggerhead (American Head Series Book 1)

Mitch McDonald, the U.S. senate minority leader, loved to hunt at Biggerhead. He was unaware that the deer he shot during his last visit had been tranquilized and herded to within forty feet of him by Ferry's Mexican ranch hands. He had contacted Ferry a couple of weeks earlier with an unusual request. Mitch wanted to use the ranch Biggerhead (American Head Series Book 1) for a secret gathering of handpicked conservative leaders. It would be a small group, and privacy was of the utmost importance. There would be no aides, no media, and no secret Biggerhead (American Head Series Book 1) service. Mitch wanted an environment that would promote open and candid discussion, without fear of political or media backlash.

He knew Rick would be delighted to host the gathering at Biggerhead. Rick's presidential campaign had been an abject failure, and even his longtime supporters were distancing themselves from him. Last week, Biggerhead (American Head Series Book 1) his wife had embarrassed him again by telling a reporter all Mormons were going to hell, but that she would pray for them anyway.

Hosting a group of conservative leaders could be the medicine Rick needed to re-invigorate his political ambitions.

The group sat shoulder to shoulder around a circular wooden table in the middle of the great room at Biggerhead Lodge, under the watchful eyes of various dead animals mounted on the walls.

Mitch called the meeting to order, “Ladies and Gentlemen, to Biggerhead (American Head Series Book 1) begin I’d like to read a verse from my favorite book, the Holy Bible, and Psalm 109, beginning at verse eight:

“Let his days be few; and let another take his office.

Let his children be fatherless, and his wife a widow.

Let his children be continually vagabonds, and beg: let them seek their bread also out of their desolate places.

Let the extortioner catch all that he hath; and let the strangers spoil his labor.

Let Biggerhead (American Head Series Book 1) there be none to extend mercy unto him: neither let there be any to favor his fatherless children.

Let his posterity be cut off; and in the generation following let their name be blotted out.

Let the iniquity of his fathers be remembered with the LORD; and let not the sin of his mother be blotted out.”

“Amen!” shouted Michele Ballman, congresswoman from Minnesota, unable to control her enthusiasm.
