### [The Price of Submission](#)

"I still can't believe I'm doing this."

Julia Dorne dropped the last of her boxes on the living room floor and grinned. Today was Bridled and Broken Part One: A Bitter Submission (A BDSM Ponygirl Erotica) a new beginning, a good beginning. Barely a week ago, she'd been just another college sophomore, but not now. No, now she was a junior and free: no parents, no loans, and no dorm rules ever again. She was a real live grownup for once, with a soon-to-be husband and a house and a future and...

And, good God, was this really happening?

"You don't think we're moving too fast, do you?" she said. "I mean, we've barely been together three months, and now here I am moving in and getting ready to marry you and—"

"Shh." Her fiancé pressed a finger against her lips. "No words and no regrets, Pet. You belong to me now, Bridled and Broken Part One: A Bitter Submission (A BDSM Ponygirl Erotica) and I'm not letting you go."

She chuckled. Despite all her fears, Matthew's confident possessiveness always managed to reassure her.

"You'd better not." She grinned up at him. "Because I don't take rejection lightly, mister, and I don't give back Bridled and Broken Part One: A Bitter Submission (A BDSM Ponygirl Erotica) gifts, either. Especially not the bright, sparkly kind."

---

She waved her left hand in front of him, and light Bridled and Broken Part One: A Bitter Submission (A BDSM Ponygirl Erotica) glittered from her ring finger. Nineteen-years-old and already engaged. Was this even possible? She knew her parents wouldn't approve, but hell, they never approved of anything anyway. They moaned when she went to college. They yelled when she moved out of the state. She could only imagine Bridled and Broken Part One: A Bitter Submission (A BDSM Ponygirl Erotica) what they'd do when she told them she was about to marry a man they'd claim she barely even knew.

*They'll hit the roof, her common sense whispered. They'll tell you you're being a damned fool, and they'll be Bridled and Broken Part One: A Bitter Submission (A BDSM Ponygirl Erotica) right.*

She bit her bottom lip but otherwise ignored the little voice inside her head. So what if her parents didn't approve of Bridled and Broken Part One: A Bitter Submission (A BDSM Ponygirl Erotica) Matthew? She was over eighteen. She didn't need their permission anymore.

She just wanted it.

"Do you think maybe we Bridled and Broken Part One: A Bitter Submission (A BDSM Ponygirl Erotica) could make the drive to Colorado sometime soon?" she asked. "I know it's a long ways off, but we are getting married, and my parents *are* going to have to meet you sometime before we hit the altar, and I was thinking—"

"Don't think." His lips trailed warm kisses down the side of Bridled and Broken Part One: A Bitter Submission (A BDSM Ponygirl Erotica) her neck. "And don't speak. From now on, all I want you to do is feel."

"But, Matthew, I...Ohhhh..."

All protests vanished as soon as Matthew's hands disappeared beneath her shirt. In one quick move, he unhooked her bra. The giant mounds she always tried so desperately to hide Bridled and Broken Part One: A Bitter Submission (A BDSM Ponygirl Erotica) spilled forward in an instant, and she moaned when Matthew cupped each of her breasts in his fiery palms.

*This Bridled and Broken Part One: A Bitter Submission (A BDSM Ponygirl Erotica) is happening too fast, her sensible side whispered. You need to slow down. Tell him to give you more time. You can't just rush into this kind of thing now when you've never...*

*What?* Julia demanded of herself. *Fucked a man?*

Just thinking the word made her shiver, but whether it was from longing or fear, she didn't know. She'd been straight with Matthew from the beginning. She'd told him she was inexperienced, but that hadn't bothered him. If anything, it made him love her even more than before.

"We'll wait until we're living together," he'd promised her. "It'll be perfect. *You'll* be perfect. Just

---

leave the plans to me, Pet, and I'll turn you into the true creature of beauty you were always meant to be. I promise."

She somehow doubted the loss of her virginity would have as much of an effect on her as Matthew liked to suggest, but she never bothered to contradict him. She just wondered if making love on a bed of unpacked boxes and leftover school supplies was the ideal he had in mind. But no matter what he wanted, she knew she'd give it to him. Saying no had never come Bridled and Broken Part One: A Bitter Submission (A BDSM Ponygirl Erotica) easy to Julia Dorne, but with Matthew, denying his wishes was almost beyond unthinkable.

"I think it's about time we get you out of these clothes. What do you say, Pet?"

All Julia could do was nod.

Almost before she knew what was happening, her shirt was over her head and her bare breasts were bobbing beneath her. Heat touched her cheeks. She tried to cover herself, but Matthew pushed aside her hands.

"None of that," he said. "Modesty has no place here, Pet. The sooner you learn that, the better."

Her brow furrowed. Bridled and Broken Part One: A Bitter Submission (A BDSM Ponygirl Erotica) She started to ask what he meant, but then his fingers tightened around her flesh. He squeezed each of her breasts hard Bridled and Broken Part One: A Bitter Submission (A BDSM Ponygirl Erotica) enough to take her breath away, and she gasped. Her back arched. Her pussy tightened. Julia moaned as soon as the Bridled and Broken Part One: A Bitter Submission (A BDSM Ponygirl Erotica) air returned to her lungs, and despite her lack of experience, she thrust her hips against his on impulse.

"Such wonderful instincts," he whispered into her ear. "What do you say we put them to good use?"

She blushed so hard her cheeks burned.
