
Cá estamos porque chegamos

Ontem você chorou de dor e resolvi lhe escrever estas palavras.

Tenho tido a chance de observá-lo enquanto seus olhos descobrem cada detalhe deste mundo. Com quais cores seu quarto foi decorado? Qual a cor dos pelos daqueles três cachorros que te aguardam para brincar? O que é um cachorro? As palavras agora não existem. As palavras, você descobrirá, têm um jeito de serem nossas e de ninguém ao Cá estamos porque chegamos: um conto para o meu sobrinho (Portuguese Edition) mesmo tempo. Pois são antes os sons que te interrompem as sensações, ruídos cantados que saem da boca dos outros te chamando para um mundo que ainda não é seu. Só lhe resta ter criatividade para inventar sentidos de acordo com a repetição de algumas sílabas; as mais frequentes, você está prestes a descobrir, já o identificavam antes mesmo de você chegar. E todas essas novidades sonoras encontram par no mundo visual. Fico curioso para saber quando será o instante exato em que, à noite, você de repente se dará conta de que uma daquelas luzes lá no alto não é a lâmpada de mais um poste, mas um disco branco e único acima das nuvens, entre milhares de pontinhos cintilantes.
