MEET YOUR MATE...

"I absolutely adored this book for the simple reason that I was so caught up in the mystery behind the threats and Jack and Brielle's `romance' that I wasn't able to put the story or the characters out of my head long enough to get anything accomplished."

~Romance Junkies-5 Star review~

FATED HEARTS...

Captive Hero (Time-shift Heroes Series Book 1)

“When I first started reading Fated Hearts, I found hints of Diana Palmer (whom I love) in Donna Michaels voice. When I got to the end it was with a sigh, a very wonderful love story with a sweet ending. I would recommend Fated Hearts to anyone who loves a good contemporary Captive Hero (Time-shift Heroes Series Book 1) love story with a couple of feisty characters.”

THE SPY WHO FANGED ME...

“This story has a wacky, hysterical storyline that will make you laugh out loud over Ms. Michaels’ sense of humor. This is definitely not your ordinary shifter/vampire story! The author wove Captive Hero (Time-shift Heroes Series Book 1) so many twists and turns into the storyline that you just don’t know what could happen next between Captive Hero (Time-shift Heroes Series Book 1) Pierce and Kit. If you’re looking for a story that’s fun, edgy and comical – this is the one you shouldn’t pass up. Ms. Michaels delivers yet again!”

Dear Reader,

Have you ever felt a strong pull to a location or a time in history? Captive Hero (Time-shift Heroes Series Book 1) For me, it’s the South Pacific during Captive Hero (Time-shift Heroes Series Book 1) WWII. All my life I’ve been pulled to Captive Hero (Time-shift Heroes Series Book 1) books, movies, photos, television shows, anything to do with that time period—especially pilots. I even *had* to honeymoon in Hawaii so I could Captive Hero (Time-shift Heroes Series Book 1) visit Pearl Harbor, not the beautiful beaches on Oahu.

Creating a flying Ace hero from that time period was a given and CAPTIVE HERO came to be. I had the honor and privilege to send the requested full story to the late, Kate Duffy from Kennsington several years ago. After her unexpected passing, I let this story sit on my hard Captive Hero (Time-shift Heroes Series Book 1) drive. But I knew it was there, and with self publishing now a viable option, what better way to share the story Kate took an interest in

without sending it Captive Hero (Time-shift Heroes Series Book 1) to another publisher.

The characters were fascinating and putting myself in their shoes was a whole lot of fun. Poor Mitch was yanked from everything Captive Hero (Time-shift Heroes Series Book 1) he knew and plopped in a time period too unreal to believe, and he didn't. Samantha was forced to make a tough decision in order to keep history on course...more than once. To make matters more complicated, they had this undeniable attraction Captive Hero (Time-shift Heroes Series Book 1) between them, one they realize they've had before.

It was a wonderful story to write. The research was very interesting and I Captive Hero (Time-shift Heroes Series Book 1) hope I did the Black Sheep justice. CAPTIVE HERO was a true labor of love and the perfect first book in my new Time-shift Heroes Series. To me, there's no better experience than to give and I hope this book gives you an enjoyable Captive Hero (Time-shift Heroes Series Book 1) escape.

Thanks for reading,

~Donna
