### **Still Got It**

Lucy couldn't have wanted a better day for her daughter's birthday party. The sky was completely clear and the sun warmed the tiles around the edge of the swimming pool. From her deck chair she looked around the pool. Four of Kelly's friends were in the pool, but Kelly herself and two of her friends were laying on the other Cougar Tales 2 - 10 Story Bundle (MILF Erotica) deck chairs, at the far end of the pool. They looked so relaxed, laughing and lounging, just chatting in their bikinis.

What were they talking about? Young people things, probably. Nothing made Lucy feel quite as old as seeing Kelly and her young friends, even if she was only forty years old. The girls with their perfect bodies barely hidden in small bikinis made her feel jealous. The way the boys

---

fawned over them and completely ignored her made it feel worse. There was nothing she wouldn't do if one of those handsome guys would come up to her and take her inside to her bedroom. In Cougar Tales 2 - 10 Story Bundle (MILF Erotica) the seven years since her husband had left, there had been only very few men that had shown any kind of interest in her. Lucy still tried to take care of her body, but it probably didn't help that she had her own daughter and her stepson living with her. A single mom with adult children just wasn't that attractive to the kind of men Lucy wanted.

She closed her eyes. Through her eyelids, she could still see the sun. The noise from the guys in the pool seemed further away now. They were so far Cougar Tales 2 - 10 Story Bundle (MILF Erotica) away from her. It would be madness to even imagine that one of them would ever be interested in her. When she opened her eyes again, she suddenly saw something she'd missed. Behind the window, right behind Kelly's deck chair, she faintly saw her stepson John. Was he looking at Kelly? Or at her guests?

John was a nice enough guy. If he wanted to talk to any of the girls, he could just come out. He didn't Cougar Tales 2 - 10 Story Bundle (MILF Erotica) have to stare at them from a distance. In fact, if he'd just come outside dressed in nothing but his swimming trunks, he'd certainly turn the heads of every one of Kelly's girlfriends. He wouldn't have to do a lot to have one of them follow him into his bedroom. Any of those girls could become the next Cougar Tales 2 - 10 Story Bundle (MILF Erotica) in John's long string of conquests. So why would he be staring at them from behind a window?

Lucy got up. Being out here just made her feel bad about herself. About all the things she no longer had but that she still longed for. She pulled her towel around her waist and walked to the door.

'You guys have fun!' she said.

Nobody seemed to hear her. Nobody responded. Lucy didn't even care anymore. Of course they would all just have attention for each other. And they'd have fun with each other.

'Hey,' John said when Lucy came inside.

Lucy smiled and stood next to him in front of the window.

'They're all just so young and perfect, aren't they?' she Cougar Tales 2 - 10 Story Bundle (MILF Erotica) said.

She hoped John would give in and show her which of Kelly's friends he Cougar Tales 2 - 10 Story Bundle (MILF Erotica) was interested in. And then it would be Lucy's turn to stand behind the glass and look at how he worked his magic on one of the girls.

'Hmm-hmm.'

That wasn't really the reaction Lucy was looking for.

---

Together they stood and watched how Kelly pushed her friend into the pool.

'I know why you're saying that,' John said just when Lucy wanted to say something.

That was interesting. Maybe it wasn't time to listen to John instead of pestering him and goading him into going out and taking one of Kelly's friends back into his bedroom.

'I was watching Cougar Tales 2 - 10 Story Bundle (MILF Erotica) you, actually,' he said. 'I was watching the way you were looking at those young girls.'

For a second John just looked at her. He'd never looked at her like this before.

'They may not have noticed anything,' John said, interrupting Lucy again just when she wanted to speak up, 'but I've known you long enough to recognize that look.'

'What look?'

Lucy didn't think she was looking at them with any kind of look on her face. Nothing that would betray to John what she was thinking anyway.

'Oh, come on. I could almost hear you sigh from across the pool and through the glass. And I know the way you squeeze your eyes to little Cougar Tales 2 - 10 Story Bundle (MILF Erotica) slits when you don't like what you're looking at. It's the same way you looked at my dad the last year you were together.'

Lucy sighed. He was right. Seeing Kelly and her beautiful friends was hard. It made her realize all the things she'd lost.

'You're jealous of them, aren't you?'

John really knew her too well. He'd been living with for sixteen years, so it really wasn't a big surprise that he knew what she thought or felt. But Lucy had never realized that he did. He was only twenty-one, and even in the last few years, Lucy had still considered Cougar Tales 2 - 10 Story Bundle (MILF Erotica) him a little boy. In her mind, he'd never changed from Cougar Tales 2 - 10 Story Bundle (MILF Erotica) the little boy that her new husband had brought into her house. Now, now that John saw through her and read the deepest contents of her mind, she suddenly saw that he was more than that. He was a real man.

'Yes,' she replied. 'Won't you look at all those young girls with their tight young bodies...'

But why was John saying Cougar Tales 2 - 10 Story Bundle (MILF Erotica) all of this? Lucy looked for something in Cougar Tales 2 - 10 Story Bundle (MILF Erotica) his face that would tell her his intentions. All she saw were the handsome looks that she had ignored for far too long. A chiseled jaw and a dark brow that made him Cougar Tales 2 - 10 Story Bundle (MILF Erotica) look better than her husband had ever done.

---

'Seeing Kelly and her friend like this, it all just reminds me of how I was when I was her age. When I was *your* age. It was the nineties, but it wasn't so different from now. My first husband used to have a pool just like ours. We used to lay by the pool all day, me and my friends. And he'd look at me in a way that...'

'You don't need to be jealous,' John interrupted.

He leaned in closer to her.

'I look at you like that right now.'

'John, don't...' Lucy protested.

'I'm serious, you've still got it.'

Was that Cougar Tales 2 - 10 Story Bundle (MILF Erotica) a slight blush rising up on John's cheeks?

'Every one of those guys has been secretly looking at you all afternoon. And Cougar Tales 2 - 10 Story Bundle (MILF Erotica) when they go home at the end of the day, they'll still be thinking of you. Tonight, when they're in their beds, masturbating themselves to sleep, they're going to be thinking of you, and not of your nineteen year old daughter.'

He seemed serious. Did he really mean that or was he just trying Cougar Tales 2 - 10 Story Bundle (MILF Erotica) to make her feel good? John had always been pretty direct, but he'd never brought up sex this obliquely. Either way, Lucy didn't want his pity.

'Oh John, how would you even know that?'

'Because that's what I would do,' he blurted out.

For a second, time stood still for Lucy. Had John really just said that? Had her stepson just admitted that he jerked off to the idea of his own stepmother? Or that he would do that if she wasn't his stepmother? She wasn't sure what she was supposed to think of that. Of course, it was a compliment that he still considered her beautiful enough to think of her like that. But he was her stepson. Wasn't this at least a little bit wrong?

Now it was Lucy's turn to blush. Neither of them said another word for a moment, and John's eyes danced all over Lucy's face. She could tell that he was trying to look strong, Cougar Tales 2 - 10 Story Bundle (MILF Erotica) to look her in the eyes. But after a confession like that, he Cougar Tales 2 - 10 Story Bundle (MILF Erotica) couldn't. They looked at each other, both blushing, both obviously uncomfortable. Now that Lucy thought about it, it didn't really surprise her that John viewed her like this. All Cougar Tales 2 - 10 Story Bundle (MILF Erotica) those girls he had taken home, they all had had one thing in common: they at least looked a little bit like Lucy herself did.

---

And however conflicted Lucy felt about this, John had always been an absolute dream of a stepson. He was polite, funny, willing to help, just the whole package. And he was handsome, just like his father had been. Even more so. She could see why all of those Cougar Tales 2 - 10 Story Bundle (MILF Erotica) girls had liked him. Something deep inside her felt the same way those girls probably felt. Something deep inside her hoped that John wasn't just saying all those things to make her feel good or to tease her into doing something that she shouldn't.

There was only one way to test whether he really meant it. She'd have to make a move.

Lucy reached out and grabbed his wrists. At the same time, she dropped her towel from around her waist and she shoved him out of the way, away from the window. She leaned her whole body against him and pinned him to the wall. John's hands balled into fists as she stared into his eyes.

'Do you really lay in your bed at night, thinking of me, stroking that cock?' she breathed.

She could already feel his cock grow hard, that same cock that he Cougar Tales 2 - 10 Story Bundle (MILF Erotica) touched when he thought of her. That was one way of admitting it.

John didn't say a word. He breathed deeply and studied the expression on Lucy's face. He seemed more relaxed now that she'd pushed him against the wall than he had been when they just looked at each other uncomfortably a moment ago. He tried to raise his hands, but Lucy couldn't let him do that.

When he tried to say something, she knew enough. She pressed her lips to his and forced his head back against the wall. Her tongue moved past his lips and he quickly opened them. John didn't have to say anything to admit his desires. This kiss said it all.

Lucy let go of his hands and they immediately went for her hips. He pulled her in closer and laid his hands on the small of her back. Lucy moved her hands to the hem of his t-shirt. She stuck her fingers underneath it. Right when her fingertips touched the skin of John's tight belly, he slipped his lips off hers. He let out a gasp.

'Lucy, I'm not sure we...' he stammered.
