Prologue

Brooke

It felt Do Not Cross (No Caution Book 1) like a bad nightmare that was not supposed to happen. Sapphire was the one that canceled the reservations at La Mode and set up the date at the Hilton hotel. After she blindfolded me, she drugged me with this date rape drug called Rohypnol. It was a clear odorless substance. The doctors found it in my system afterwards. It lasts for 1-2 hours and the victim wakes up not remembering Do Not Cross (No Caution Book 1) anything. Sapphire studied Jacie. She found out her favorite perfume and what she likes in order to seduce me.

Sapphire was currently serving her twenty five year sentence at Forrester Mental Institution in Montana. During her trial, she pleaded insanity. Because of her disorder, the judge was Do Not Cross (No Caution Book 1) very Do Not Cross (No Caution Book 1) lenient on her. I found out Sapphire was schizophrenic after she was arrested and booked. She had stopped taking her pills during the time she shot Jacie.

Jacie Do Not Cross (No Caution Book 1) slipped into a coma after the shooting. My home became the hospital as I never left her side. Courtney handles things for Do Not Cross (No Caution Book 1) me at the office and Jacie's employees took over the company until she comes

back.

All kind of machines are hooked up to her body. She is breathing on her own now, but the doctors say it is up to her Do Not Cross (No Caution Book 1) now for the outcome Do Not Cross (No Caution Book 1) we want.

I go down to the vending machine and get a Coke. I walk Do Not Cross (No Caution Book 1) back to the room and grab her hand. The tears just start flowing.

"All I brought to your life was heartache and all you brought to mine was happiness. I never did deserve a person like you to even be a part of my life. I will prove to you that I am grateful. All that happened with Corey...and Sapphire. None Do Not Cross (No Caution Book 1) of it matters. If I can get just one more chance baby...I will never let you go. I wish I was in this bed and not you. I promise to love you forever. Please Jacie...come back to me."

I fall asleep in the chair with her hand in mine. I feel a light squeeze on my hand and Jacie lets go.

Jacie

(16 years old)

I didn't feel wrong or dirty when I saw a girl I was attracted to. I knew it wasn't normal, but Do Not Cross (No Caution Book 1) it felt right. I got my first feeling when I was fifteen and I met Lyric. She was a year older than me and all the guys in Harlem wanted her. She was the epitome of the word fine from her long jet black hair to her thick body. I was ecstatic when she Do Not Cross (No Caution Book 1) asked me to tutor her in math. After we cheered when she got a hard math problem right, she kissed me out of the blue. I looked around my house making sure nobody saw what just happened. I turned back to Lyric looking like a deer in headlights.

She covered her mouth. "I'm Do Not Cross (No Caution Book 1) sorry Jacie. I didn't mean to do that."

My cheeks turned red and I shrugged my shoulders. "I wanted you to." My ~~eyes~~ eyes averted to the floor and I felt shameful for liking the kiss and wanting more.

Lyric grabbed my hand and sighed. "This is not the reaction I was expecting, but I'm glad you're Do Not Cross (No Caution Book 1) not rda' Lyric smiled and whispered in my ear. "I always had a crush on you. I just asked you to tutor me so I can get to know you."

I sat there in shock. I couldn't believe out of all the Do Not Cross (No Caution Book 1) choices she had, she wanted me. This was all happening so fast. My dream girl liked me back. I was nervous and my hands started to sweat.

I looked at Lyric and lowered my eyes in shame. "Nobody knows about me."

Lyric nodded her head. "It's cool. Your secret is safe with me. I know it's hard to come out the closet." She rubbed my hair back. "Nobody has to know but us."

I suppressed a smile and looked at the floor. Lyric raised my head and kisses me again. I grabbed her waist and pulled her closer to Do Not Cross (No Caution Book 1) my body. Our lips parted when we hear Do Not Cross (No Caution Book 1) my mom coming through the front door. I quickly shuffle the papers and pick up my pencil with my trembling hand. We go back to the math problem like nothing happened.

I had sex with Lyric a week later and we started dating low-key. I didn't have experience, but Lyric took over.

"Just lay back and relax."
