Introduction

I wrote this book for 2 kinds of people. One is for those beginners on Ebay Selling or Physical EBAY ARBITRAGE 2016: How to do Online Arbitrage, Buy Low, and Sell High on the Internet Product Selling. The other one is for people who want to quit their jobs and make a full time income via Ebay Selling. If you're one of those people then this book is for you.

If you are a seasoned veteran then this book is probably not for you. You'll probably get some gems depending on how you look at the information that I'll present to you.

I would not sell you on how great ebay is for making money. Since you already bought this book, you are probably convince already that you can make a full time income buying and selling products on Ebay.

In the next chapter, I'll give you the whole blueprint for making money via Ebay. It'll be your

step by step guide to selling physical products online.

Great! Turn to the next page now.

The Opportunity

What the heck is Ebay Arbitrage?

Ebay Arbitrage is pretty simple, you buy low from other websites on the intergalactic universe of the web and sell them either on Ebay or Amazon.

In this book, I'm going to show you different ways to EBAY ARBITRAGE 2016: How to do Online Arbitrage, Buy Low, and Sell High on the Internet find products online. Most Arbitrage'rs (is that even a word?) are finding products OFFLINE. Whether in thrift stores, local walmart and other small shops. Those tactics are still working today but I don't want you to go out there and spend countless hours finding a product. That's why we will just focus EBAY ARBITRAGE 2016: How to do Online Arbitrage, Buy Low, and Sell High on the Internet on online sources. Sounds fair?

Yep?

Ok, let's start.

Overview

Here's the whole process in a nutshell.

A - QuickStart Guide

In the first part which is the chapter 1 - *New To Ebay*, I'll show you the fastest way and the best practices for starting on Ebay.

B - Finding Products

The next EBAY ARBITRAGE 2016: How to do Online Arbitrage, Buy Low, and Sell High on the Internet part will be finding EBAY ARBITRAGE 2016: How to do Online Arbitrage, Buy Low, and Sell High on the Internet products. This is the most important chapter since most people get stuck in this part. EBAY ARBITRAGE 2016: How to do Online Arbitrage, Buy Low, and Sell High on the Internet I'll show you the easiest way EBAY ARBITRAGE 2016: How to do Online Arbitrage, Buy Low, and Sell High on the Internet to find products that makes profit.

C - Product Listing

Once you found your product, you have to create a product listing. A listing is the page where people buy your products. This will be your sales letter that's why you have to put some effort in creating this.

D - Ebay + SEO

The last step is the combination of EBAY and Search Engine Optimization or SEO. We will rank our product listing page in Google so we could get more customers. I don't like relying on Ebay's search engine alone. Only few people do SEO to their ebay listing so I assure you that you'll be twice ahead your competition if you'll follow this step. Now, let's go EBAY ARBITRAGE 2016: How to do Online Arbitrage, Buy Low, and Sell High on the Internet straight to the first chapter.
