Chapter Eternal Conflict - Book 7 (The Ruby Ring Saga) 1

We marched into unfamiliar territory, at least to me, but Victor knew it very well. We immediately headed toward the rebel camp, where the troops had bravely gathered for our cause. We'd spent the last few weeks looking for recruits, which was rather easy, since it wasn't hard to find people who wanted Ethano thrown from power and destroyed. Victor's most Eternal Conflict - Book 7 (The Ruby Ring Saga) loyal Eternal Conflict - Book 7 (The Ruby Ring Saga) knights joined us as well. I tended to Alexander and stuck with my parents while Victor and his warriors got their battle plans together.

Lords rented out their land in return for crops and labor. We promised to reward any farmers who helped us, and it didn't take long for us to meet a farmer who gave us a safe place to stay. They gave us brown bread, vegetables, and fish to eat, for which we were very thankful. The farmers spent most of their time cultivating crops, so they would have food enough to survive Eternal Conflict - Book 7 (The Ruby Ring Saga) another year, but they were anxious to get rid of Ethano, who penalized them with heavy taxes.

Our main group stuck together in one area in the village of Manito. The houses, barns, and animal pens were clustered around the center of town. Victor thought it was a good place to stay for the time being, because the enemy couldn't sneak up on us, as it was surrounded entirely by flat land, plowed fields, Eternal Conflict - Book 7 (The Ruby Ring Saga) and pastures.

My mother walked into the back yard, where I sat holding Alexander. She was wearing a simple dress. My sister, Liz, had put her hair up in a bun. It was far too conservative for her, but Liz was insistent that we look like peasants, so as not to attract unnecessary or potentially dangerous attention. Liz left to go help Victor and Charles. Being single, she was free to come and go as she wished. But I didn't mind. I loved spending time with my son and my parents.

"Hey, I was just talking to one Eternal Conflict - Book 7 (The Ruby Ring Saga) of those farmers," my mother said.

I cocked a brow. "Yeah?"
Eternal Conflict - Book 7 (The Ruby Ring Saga)

"They're an interesting bunch. They believe in crazy superstitions over Eternal Conflict - Book 7 (The Ruby Ring Saga) science."

“Mom, you knew what you were getting into when you decided to join me,” I said.

She smiled. “Yes, dear, I know. It’s just funny how different they are from us.”

“It’s the simple life.”

“Well, it Eternal Conflict - Book 7 (The Ruby Ring Saga) makes for a nice retirement.”

“I saw you beat Dad in a game of chess.”

“Yes, but I’m no match for him in backgammon and cards. I’m truly surprised they have such games here.”

I smiled. “When you get right down to it, Mom, people aren’t so different after all, no Eternal Conflict - Book 7 (The Ruby Ring Saga) matter when or where they exist.”

Alexander cooed and gazed up at me, and my mother looked at him.

“Isn’t it nice to be outside in the fresh air?” she asked, then carried her gaze back down to our little bundle of joy. “And how’s my Alexander today?” she said in a cute voice.

“Even with everything that’s going on, he still smiles,” I said.

“This boy is a survivor, just like his mama.”

“Victor’s back!” I suddenly said, my face lighting Eternal Conflict - Book 7 (The Ruby Ring Saga) up.

“How do you know, honey?” my mom asked.

“The bond, and, Eternal Conflict - Book 7 (The Ruby Ring Saga) uh...immortal hearing. I can hear his voice, and it sounds like Eternal Conflict - Book 7 (The Ruby Ring Saga) heaven.”

My mom smiled.

I smoothed my hair. “How do I look?” I squealed.

“Wonderful, as always.”

Eternal Conflict - Book 7 (The Ruby Ring Saga)

I grinned, then bolted to the front of the house. “Victor!” I said. “You’re back!”

He dismounted from his horse and rushed straight to me. He kissed me, then picked up Alexander. Our baby’s big, blue eyes lit up, and his lips formed into a big smile.

“He’s full of grins today,” I said.

“I’m glad to see he’s so happy.”

“Me too.”

Victor spent the day with us, while William, Liz, Jackson, and Charles took care of more serious matters. He needed a break because he’d had little sleep for the past week. He was the only man I knew who worked on battle plans all day, then came home to change diapers, and it really melted my heart. He had been a champion coach during my birth and was now an all-around great daddy.

“Would you like lunch?” I asked.

“I am as hungry as a bear,” he said, smiling.

A large kettle hung in the fireplace. We cooked practically every meal in it, and any stew that wasn’t eaten was left in the pot for the next meal. Every day, the fire was relit and more ingredients added. Even though parts of the stew were days old, we both enjoyed it without complaints. After what we’d been *Eternal Conflict - Book 7 (The Ruby Ring Saga)* through, we were just happy to have a meal. *Eternal Conflict - Book 7 (The Ruby Ring Saga)*

After lunch, we laid out a blanket under a shady tree. Victor lay down and played with Alexander, making silly faces at him. I cuddled next to Victor on the blanket. Alexander laughed when his father swung him up in the air, over our faces, then set him back on his chest. We spent a few hours together, and I cherished every moment.

As Victor rocked Alexander to *Eternal Conflict - Book 7 (The Ruby Ring Saga)* sleep, I couldn’t help but notice the strong connection between them. It meant the world to me that Victor came home to spend the day with us, something most warrior kings wouldn’t have even considered. Then again, Victor was different than most. In fact, I thought he was the most special guy in the world.

We took Alexander *Eternal Conflict - Book 7 (The Ruby Ring Saga)* inside and laid him down.

Victor looked at him for a moment, then up at me, amazed. “We created such a beautiful child together.”

Tears welled in my eyes, but no words would come out of my mouth. Victor just kissed me softly and gently on the lips, and I cupped his face as emotion overwhelmed me.

Suddenly, there was a knock at the door.

“Come in,” I said, breaking away from Victor, even though I wasn’t ready to.

Dad popped his head in. “Victor, you must be exhausted. Go on and take a nap. I’ll watch the baby.”

“I can sleep tonight. I’d much rather spend some time with my queen.” Eternal Conflict - Book 7 (The Ruby Ring Saga) He held his hand Eternal Conflict - Book 7 (The Ruby Ring Saga) out to me. “Would you like to go on a ride?”
