
For more than four decades Anthony Smith has been intensely and productively investigating the nature, wellsprings, and ramifications of nationalism. This excellent and concise distillation of his principal findings and conclusions will prove of immense value to anyone interested in this most Ethno-symbolism and Nationalism: A Cultural Approach consequential phenomenon.

Walker Connor, Middlebury College, USA

Written with the clarity, sensitivity, and analytical nuance that have Ethno-symbolism and Nationalism: A Cultural Approach become hallmarks of Anthony Smith's scholarship, this book presents a masterful distillation of the ethno-symbolist interpretation of nationalism – a school of thought that counts the author as its most influential founding father. In crisp and succinct prose, it presents a fair and balanced overview of the theoretical thrust-and-parry in the field of nationalism studies, while articulating a compelling defense of the ethno-symbolist approach against the attacks of its critics.

Aviel Roshwald, Professor of History, Georgetown University, USA

Ethno-symbolism and Nationalism: A Cultural Approach

Anthony Smith has provided us with a conceptually powerful, clearly written statement of his life's work devoted to the study of nationalism. By doing so, we have a compelling clarification of the nation as a historical community of culture. Thus, to view this book as merely a concise statement of the ethno-symbolic approach to the study of nations and nationalism is to fail to appreciate its significance; rather, it is a most convincing analysis of these crucially important phenomena – a book that must be read by all those who wish to understand these powerful factors that have shaped and are shaping our destiny.

Steven Grosby, Professor of Religion, Clemson University, USA

Ethno-symbolism and Nationalism

Anthony D. Smith is Emeritus Professor of Nationalism and Ethnicity at the London School of Economics, and is considered one of the Ethno-symbolism and Nationalism: A Cultural Approach founders of the interdisciplinary field of nationalism studies. Anthony Smith has developed an approach to the study of nations and nationalism called ethno-symbolism, which is concerned with the nature of ethnic groups and nations, and the need to consider their symbolic dimensions.

This text provides a concise statement of an ethno-symbolic approach to the study of nations and nationalism and, at the same time, embodies a general statement of Anthony Smith's contribution to this approach and its application to the central issues of nations and nationalism. The text:

- Sets out the theoretical background of the emergence of ethno-symbolism in a sustained and systematic argument.

- Explains its analysis of the formation of nations, their persistence and change and the role of nationalism.

-
- Demonstrates that an ethno-symbolic approach provides an important supplement and corrective to past and present intellectual orthodoxies in the field and addresses the main theoretical criticisms levelled at an ethno-symbolic approach.

Drawing together and developing earlier brief resumes of Anthony Smith's approach, this book represents a summary Ethno-symbolism and Nationalism: A Cultural Approach of the theoretical aspects of his work in the field since 1986. It will be useful to students and to all those who are interested in the issues raised by a study of ethnicity, nations and nationalism.

Anthony D. Smith is Emeritus Professor of Nationalism and Ethno-symbolism and Nationalism: A Cultural Approach Ethnicity at the London School of Economics, President of the Association for the Study of Ethnicity and Nationalism (ASEN) and Chief Editor of the journal *Nations and Nationalism*. He is the author of sixteen books and over 100 articles and chapters on nations, nationalism and ethnicity, and his books have been translated into twenty-one languages.
