First, we're going to start off by telling you exactly why it is that owners choose to make homemade dog food for their pets by exploring some of the benefits. Once we've explained the necessity and encouraged you to start making your own food for your pet, it's time to break down the actual process of making homemade dog food.

We're going to spot out all of the key ingredients that you should look for when it comes Fun & Easy Organic Dog Food: Quick Recipes for the Busy Dog Lover to making your own dog food and we are going to tell you why they are spectacular for your dog! Then, it's onto the fun part where we share some of our FAVORITE recipes for homemade dog food!

Each and every one of our recipes has been tested out on pets of our own and the reviews are raving! (4 paws up!)

Once we've shared with you our favorite recipes that are going to have your pups jumping for joy- we're going to give you a quick little "Do's and Don'ts" Fun & Easy Organic Dog Food: Quick Recipes for the Busy Dog Lover of homemade dog food that you can use for reference whenever you need it! We're going to finish our guide with a little FAQ (Frequently Asked Questions) where hopefully we'll be able to answer any questions you may have by the end of this guide. Then, it's onto the conclusion and then you're on your own!

This guide is a plethora of information that we'll show you in a fun and informative way- you'll be dying to get started on making your own food by the end of this!

Now that we've told you what's going to happen- what are we waiting for? Let's get started!!

Benefits of Homemade Dog Food:

There are many emotional, physical, and overall benefits that making your own homemade dog food can bring to both your pet AND yourself!

Benefits for your Dog:

For starters, making your own homemade dog food allows you to see what you're really feeding to your dog. When we purchase commercial dog foods, although we have a pretty clear cut idea (in most cases) of what is going into our dog food, we still don't have a full idea (you know that term "you have to see it to believe it"?). When we make our own food for our dogs, we Fun & Easy Organic Dog Food: Quick Recipes for the Busy Dog Lover know exactly what type of meat is put in the food, we know that all of the vegetables have been properly washed, and we know all sorts of little factors that go into properly making healthy food (for anybody- dogs, cats, humans- ANYBODY), that we might not necessarily know otherwise if we hadn't seen it for ourselves!

Fun & Easy Organic Dog Food: Quick Recipes for the Busy Dog Lover

Secondly, you get to craft it with exactly what your dog wants and needs. Fun & Easy Organic

Dog Food: Quick Recipes for the Busy Dog Lover Say your dog needs all the benefits of a certain brand of dry dog food, yet he has sore teeth and can't chew the hard stuff? By making your own homemade dog food, you have the ability to use ingredients that your dog needs AND wants- you can customize it however you'd like to make your dog not Fun & Easy Organic Dog Food: Quick Recipes for the Busy Dog Lover only get serious benefits from his healthy food, but also Fun & Easy Organic Dog Food: Quick Recipes for the Busy Dog Lover enjoy it.

One of the biggest reasons why owners recommend making their dog's homemade dog food is because it really makes your dog feel loved. It sounds a bit silly, but dogs are smarter than we think. They know Fun & Easy Organic Dog Food: Quick Recipes for the Busy Dog Lover when their owners go the extra mile; they can just feel it. We don't realize how much a little gesture such as spending half an hour a day making food for them truly means; and that's what we all want, for our dogs to feel loved, right?

Benefits for YOU:

Not only does your pet get super benefits, but we Fun & Easy Organic Dog Food: Quick Recipes for the Busy Dog Lover as owners also do as well! For starters, do you know how much money you can end up saving by making homemade dog food? Homemade food uses the same ingredients that we find for ourselves at the grocery store; only the best part is that you can buy them and make recipes in bulk! The refrigerator and the freezer are going to become your closest friends during your time of making your own homemade dog food!

Ultimately, it's going to strengthen the Fun & Easy Organic Dog Food: Quick Recipes for the Busy Dog Lover relationship between you and your pup- what's better than that?

Key Ingredients to Look for:

When it comes to making homemade dog food, it's very important that you create foods that

are well balanced and give your dog all of the nutrients that he or she needs to live a strong and healthy life.

Here are the staple ingredients that each of your homemade recipes needs:

*Lean meat (chicken, lamb, salmon, etc.) for protein

*Vegetables (carrots, green beans, sweet potatoes, etc.) for multiple vitamins
