**Great Great Coffee: Craft Your Cup of Joy Coffee Every Day**

---

Coffee is truly one of life's luxuries, and yet you can make a world-class cup of coffee for Great Coffee: Craft Your Cup of Joy only 60 cents! I will show you how in this book. Even if you could spend a million dollars on a Great Coffee: Craft Your Cup of Joy cup of coffee, it would be hard to find a better cup than you can make yourself at home with the very simple equipment and brewing methods you will learn in this book.

There is a lot of debate and on-going research about the health effects of drinking coffee. As with most things, there are likely some benefits to drinking coffee and some drawbacks as well. Overall, I think drinking coffee is good for you and look forward to it every day. When I drink coffee, it makes me feel alert and thoughtful. It is relaxing and the sensation of drinking great coffee is like nothing else.

There was a time when I drank too much coffee. Now, I find that Great Coffee: Craft Your Cup of Joy limiting myself to only one cup of coffee every day helps me to focus on that one cup and make it the best it can be. I would rather have one great cup of coffee than 10 cups of mediocre coffee.

## **What Is Great Coffee?**

A great cup of coffee is one that is tuned perfectly for your senses. It has Great Coffee: Craft Your Cup of Joy great, complex flavors. It is fresh and served at just the right temperature. It smells great. It FEELS great. You know great coffee right away when Great Coffee: Craft Your Cup of Joy Great Coffee: Craft Your Cup of Joy you have it. Great Coffee: Craft Your Cup of Joy Unfortunately, many people have never experienced great coffee.

Characteristics of GREAT Coffee

---

\* **Complex flavors** chocolaty, nutty, smoky, citrus notes, even marshmallow flavors.

Great Coffee: Craft Your Cup of Joy

\* **Fresh** roasted coffee is very reactive and loses freshness, and Great Coffee: Craft Your Cup of Joy therefore flavor, very quickly if you don't handle it correctly.

\* **Not sour or bitter** coffee should taste good with nothing added to it!

\* **Right temperature** often coffee is served too hot to fully appreciate the great taste.

## Why Make Great Coffee at Home?

A lot of people get coffee at coffee shops- I used to get at least one cup every day at a great local coffee shop. Now I rarely get coffee at a coffee shop and make my own coffee at home instead. Why? I can think of at least 5 reasons:

**Quality.** After working at Great Coffee: Craft Your Cup of Joy making the best coffee I could at home, I found that I could actually make better coffee than you could buy at a coffee shop. You Great Coffee: Craft Your Cup of Joy can get everything you need to make great coffee almost anywhere now, or order them in the mail if you live in a remote area. You can control the entire process to make great coffee every time.

**Cost.** Coffee at a coffee shop costs around \$2 per cup or more. You can make great coffee at home for around 60 cents for a Great Coffee: Craft Your Cup of Joy 16 oz cup. I needed to cut back on my spending, and decided to start making coffee at home. I'm glad I did, because I learned to make great Great Coffee: Craft Your Cup of Joy coffee- better than you can get at Starbucks or almost anywhere Great Coffee: Craft Your Cup of Joy else.
