#### He Thinks My Tractor's Sexy (MM Gay Romance) (Farm Boys Only Book 1)

But, all that was about to change for Gerard. He was going to hire some help for his daddy's farm that he'd taken over since the old man had retired and moved to Florida to enjoy the good life, whatever that meant. Gerard couldn't imagine it. He had a good life right here and couldn't ask for more except a nice young man to share it with.

Gerard couldn't even meet folks at the barn dances, the church suppers. Around Milford those things were great, for straight folks. In Milford Gerard felt like the only gay man alive, at least the only one who wasn't already living the dream, already paired up with his one true love. Walt and Perry Wade didn't count. He Thinks My Tractor's Sexy (MM Gay Romance) (Farm Boys Only Book 1)

The two happy in love gay men were from the city, ran the local hair salon, Fuzion, catering to women who wanted to be pampered, mainly, and, from what he heard, making a killing at it in tips and wages. It must be nice, Gerard thought, making a mental note to go in for a new look soon.

Maybe they could do something with his shaggy mop of dirty blond hair, make him presentable at least, attractive if possible. He'd spent too many nights alone, and he was ready to settle down, He Thinks My Tractor's Sexy (MM Gay Romance) (Farm Boys Only Book 1) give his heart and body to someone special.

Since Gerard had listened to the ads one too many times and finally talked himself into trying an online dating site, he figured he'd better try not to scare any prospective mates away. He'd seen the television commercials, too, and always felt a stab through the heart seeing other, luckier, guys, paired up with their one and only, and here he was with only his hand He Thinks My Tractor's Sexy (MM Gay Romance) (Farm Boys Only Book 1) for company at night

after a long, hard day's work.

He knew exactly what he wanted. Farm Boys Only.com was the name of the web site he'd found and that pretty much summed up what he wanted. A tanned, strong, boot wearing, hard working, hard playing country boy. Truck optional, as he already had a brand new cherry red one sitting in his driveway.

Gerard didn't need the truck but he needed the man, the companionship, the sex. The fun of it all. That was something that had been missing in his life for too long. He liked the idea of catching a drive in movie and laying in the back of the truck snuggling under the stars, eyes glued to the screen, hands on each other's hard bodies.

Maybe they'd even have a little popcorn fight, who knew? And they'd kiss, maybe even make love right there, covered by the blankets, right in front of everyone. Wouldn't they all be jealous if only they knew?

But, it would be Gerard and his lover's little secret, and theirs alone. It would be fun to have someone to have secrets, to share secrets with. Especially fun, sexy little secrets like that.

But first, he had to find the man of his dreams. And for that, he was going to He Thinks My Tractor's Sexy (MM Gay Romance) (Farm Boys Only Book 1) have to He Thinks My Tractor's Sexy (MM Gay Romance) (Farm Boys Only Book 1) trust Farm Boys Only. They'd find his perfect match, right? After all, that was what they did. He swallowed down the flutters in his belly, and his pride, too, and logged onto his computer, made an account and began browsing.

Mr. Perfect just had to be here, somewhere. And, the sooner Gerard found him, the sooner he could get on with his life, the one he was meant to live. A life that would be surprisingly like the one he saw his only real life role models modeling, one of fun, loving touches, blown kisses across the room, and not so He Thinks My Tractor's Sexy (MM Gay Romance) (Farm Boys Only Book 1) secret glances when everyone is looking.

---

Gerard didn't want to have to keep his He Thinks My Tractor's Sexy (MM Gay Romance) (Farm Boys Only Book 1) love under wraps, under cover, though he had big plans to keep his lover under the covers for a long time to begin with, at least. He had a lot of pent up sexual He Thinks My Tractor's Sexy (MM Gay Romance) (Farm Boys Only Book 1) frustration to work out, get him and He Thinks My Tractor's Sexy (MM Gay Romance) (Farm Boys Only Book 1) his love a good start learning what each of them wanted, needed, liked. It would be an adventure, and hopefully one that lasted a lifetime, just like he knew Walt and Perry's would.

The two weren't He Thinks My Tractor's Sexy (MM Gay Romance) (Farm Boys Only Book 1) married, but they were the next best thing He Thinks My Tractor's Sexy (MM Gay Romance) (Farm Boys Only Book 1) to it, and were as close as you could imagine anyone being. Heck, they were more married than most married couples Gerard thought, this time without a hint of jealousy. This time he was determined to get that for himself. He deserved that, too. Didn't everyone? At least everyone who wanted it? And he'd started the work to get himself there, finally, sown the seeds.

## Chapter 2

Gerard's day was busy, busting ass to get everything done and get in, eat a quickie dinner he'd tossed the ingredients in for into the crockpot before he'd started, pot roast, always a winner and a recipe handed down from grandma so it had to be good.

Firing up his laptop he logged into the Farm Boy site, saw he had new matches and a message even, and went to that first. Indiana? For real? Someone in Indiana had sent him a message. He Thinks My Tractor's Sexy (MM Gay Romance) (Farm Boys Only Book 1) He'd never even thought of that possibility. Never would have, not in a He Thinks My Tractor's Sexy (MM Gay Romance) (Farm Boys Only Book 1) million years.

He wasn't interested in meeting someone that lived states away. He had his farm, his family. He liked it right where he was. He just needed someone to be right here with him. That would be the icing on the cake, for sure.

---

He grinned, thinking of his mama's homemade strawberry cake made with strawberries they'd grown themselves. Perfect. And he imagined eating some of those sweet red beauties in bed with his dream lover. He'd add some fresh whipped cream and be in heaven for sure.

Wistfully, he glanced at the message again, unable to avoid rereading it, staring at the picture after he clicked to make it even bigger. Wow, the guy was cute, he thought, admiring the big chocolate brown eyes and sexy tousled hair cut, imagined running his fingers through it.

He was smiling, standing beside the Stop and Sip, which must be the local bar, judging by the neon sign. He was wearing black jeans and a black cowboy shirt and a matching cowboy hat.

He had a mischievous glint in his eyes which looked either green or maybe hazel, it was hard to tell in the photo. One thing for sure, he looked like one very naughty bad boy. One Gerard wouldn't mind taking on, any day.
