Introduction

Pinterest How to Use Pinterest to Find a Job: 5 Steps to Getting that Interview is now in play. What is Pinterest? It is a social media website that is quickly becoming a strategic portal to finding employment.

Pinterest has been around a few years and initially targeted women between the ages of 25 to 34 years of age. What started out as a digital scrapbook where members posted pictures, artwork and other items that reflected their primary interests has now become a worldwide website. Wedding, home designers, cooking and travel photos were the most popular posts that members shared with the world. That has now changed.

You have to be invited to join the group after applying and you will also need a Facebook and Twitter account as well.

This guide will focus on 5 strategies to use in order to take advantage of the broadening social aspect and opportunity Pinterest is now providing for finding employment. If you are in the job search market; these steps will help you land that job. As a job hunter, each and every avenue must be explored. Using offline and online strategies will help shorten your How to Use Pinterest to Find a Job: 5 Steps to Getting that Interview search time and get you employed. Let's get started; your new job is waiting.
