I would like to thank my wife of thirty years for all that she has done for me--both personally and professionally. I would like to thank her for her encouragement and steadfast belief in me.

Sheila Wakeley, thank you for a Lieutenant John Clayborn Little, Homicide Detective: (Who Killed Owen Massakeller?) lifetime of Love and Lieutenant John Clayborn Little, Homicide Detective: (Who Killed Owen Massakeller?) Happiness.

Thank you for editing all my work and all the moments of just being with me.

I have loved you so!

I had been a Metro Police officer for only six months,

when we responded to a call at Seven Holiday Street,

a three story dilapidated building.

The landlord called. "There is a child with a cat in my building."

He said no more.

My partner, Joe Wilson, was an experienced policeman who

had been on the force for ten years. He would move to

a sergeant's position in two weeks.

We didn't draw our guns.

There was no danger, only a child with a cat.

As I entered the front door Lieutenant John Clayborn Little, Homicide Detective: (Who Killed Owen Massakeller?) of the apartment,

I thought. "How can anyone live in an apartment like this?"

The apartment was cluttered with four-foot high trash,

fast food bags, cans, pots and pans, tires,

wood, and cat and human feces.

Any furniture in the room was covered with trash.

The place smelled Lieutenant John Clayborn Little, Homicide Detective: (Who Killed Owen Massakeller?) like urine, mold and mildew, and do-do—

cat and human.

We heard a kitten's meow coming from the bedroom.

We followed the sound.

I pulled my weapon as I entered the room.

There she sat on a worn out old mattress covered

with dirty, torn blankets and trash,

a little girl with a young yellow Lieutenant John Clayborn Little, Homicide Detective: (Who Killed Owen Massakeller?) stripped kitten.

The little girl was three or four years Lieutenant John Clayborn Little, Homicide Detective: (Who Killed Owen Massakeller?) old.

She was undersized and dirty.

I moved closer with caution.

I could see a lump in the bed in the shape of

a human and blood on the dirty blankets.

I pulled one of the blankets back.

I could see her face.

It was a woman. She was dead.

She had been dead for a day or so.

She had not started to smell yet.

I took the Lieutenant John Clayborn Little, Homicide Detective: (Who Killed Owen Massakeller?) child's hand.

She looked up at me with those big brown eyes.

She reached for me.

I took her in my Lieutenant John Clayborn Little, Homicide Detective: (Who Killed Owen Massakeller?) arms.

My partner called for backup and assistants—

that included other police officers, detectives, ambulance and Social Services.
