Life takes interesting twists and turns on its own schedule, regardless of how you are feeling about things. One such twist occurred when I answered my front door on a random Tuesday afternoon, and was greeted by a face that looked familiar, but that I couldn't place.

---

“Trevor.” the attractive younger man said, flashing his smile.

“Oh.” I remembered, still not able to make the connection of where I knew him from. “I’m Carly.” I offered, squinting and thinking hard.

“I know! It’s me, Trevor Harris. I used to MILF: Old Crush, New Flame: Older Woman Younger Man be best friends with Noah.” and then it hit me, of course! My oldest son Noah was out of the house, in his mid twenties at the time and living on the other side of town.

“Trevor! Oh my gosh, you look so different! Come in.” I welcomed him inside as MILF: Old Crush, New Flame: Older Woman Younger Man soon as he pointed out who he was. He had spent probably three years practically living with us, but I hadn’t seen him since Noah had graduated high school. Trevor was always a bit wild compared to the other boys that Noah was friends with, but he was a good kid. Hardly a weekend had passed during that time period when he wasn’t eating with us, watching the game, or just generally hanging out. He was a shaggy haired teenager then, scrawny. Nothing about the grown up version of himself was recognizable, he had packed on what looked like 25 pounds of pure muscle, gotten a haircut, and taken on a glow that made the blood flow between my legs. “How have you been? You look great.” I felt comfortable around him, and grasped hold of his shoulder as we walked into the kitchen.

“I’m great, started up a landscaping company, so I’ve been busy with that.” he said, taking a seat. His forearms were a dark brown color, a result of working under the sun all summer. I poured two glasses of water, and sat down across from him to catch up. He was in the area seeking out potential clients, and it was the first time that he had been in the area in years. “I moved back from Texas a few months ago.” he went there for college and stayed after. He lived in Austin, said it MILF: Old Crush, New Flame: Older Woman Younger Man was a fun place and he met a lot of cool people, but he missed home. He asked about Noah, and I told him what I knew. “It’s crazy, I haven’t talked to him in probably five years.” he said, finishing up his water.

I was home alone with nothing to do, and I decided to let him mow the grass while he was there. He needed customers and I could use the company. Besides, it would be terrible etiquette on my part to let such a hot piece of meat simply walk out of my house and life. \$50 for

the front and backyard, and he threw in the edging. The bonus was watching him work. Shirtless and in direct line of the sun's rays, his muscles tightened up while he pushed the mower in straight lines. I noticed a riding mower on his trailer as well, but my yard is small enough. I watched intently as each bead of sweat fell down his back, leading into his pants, where I wanted to be.

The smell of ginger tea moved up into my nostrils while I watched from the window, drinking slowly, and savoring equally the sight of my son's muscular friend. I'd hardly noticed Trevor all those years before, he never talked a whole lot around me back then, but I remembered him being awkward and skinny. Funny how things change. There were other things that had changed since the last time that I saw him as well.

He MILF: Old Crush, New Flame: Older Woman Younger Man was older, and I was freshly divorced. My ex-husband had been fired from his job after his boss walked in on him getting head in the office MILF: Old Crush, New Flame: Older Woman Younger Man from one of the eighteen year old summer secretaries. Not his proudest moment, nor mine. At forty years old I was single, and horny for the type of scenario that was playing itself out before my very eyes. I had cravings that needed indulged, interests that had MILF: Old Crush, New Flame: Older Woman Younger Man been laying dormant while I was young and MILF: Old Crush, New Flame: Older Woman Younger Man monogamous. My rebound would have to include young hot flesh like Trevor, but it had been years since I had been forced to seduce someone.

Would it be wrong to try to hook up with my son's friend? Probably, and I wouldn't want to embarrass him or make him feel weird, but I may not have any other golden opportunities fall into my lap this way. The pool boy only comes by if you have a pool, all I had was a lawn. Another tear of sweat dove down Trevor's skin, this time cascading over his six pack abs. I thought MILF: Old Crush, New Flame: Older Woman Younger Man that I was safe from my perch, but when I raised my eyes, Trevor was staring back at me. I practically sprinted away from the window, dropping the curtain behind me. He had caught me gawking, how embarrassing?
