1.

### EXPLANATION OF THIS SIMPLE PROCESS

This small booklet is to let you know and to show you why and how to get a diamond of very good quality at a very good price. It does not take a rocket scientist to buy a diamond or to grade one. However you will be told that it takes years and Revealed for The First Time: Three Things to Know When Buying Your Diamond (Diamond Buying series Book 1) years and all kinds of education and other lies.

**This booklet is Revealed for The First Time: Three Things to Know When Buying Your Diamond (Diamond Buying series Book 1) based on the fact that diamonds are valued on LOOKS and that are why this booklet will help you immensely in your choice of a diamond.**

The basics behind this small book is that if you know what you are looking for and know what you want then you go to any jewelry store or any dealer and DEMAND WHAT I WILL SHOW YOU, then you will have a diamond to be proud of and at a price that to be proud of as well.
