Sebastian pushed me up against the wall and shoved his hand up my dress. His mouth was on mine, hot and hungry. I groaned and grinded against him. We'd only just had sex on the hillside outside the party and he was already hard and eager to fuck me again.

His hand went straight to my pussy. I'd lost my underwear somewhere. It was a distant concern in the back of my mind. My fear quickly disintegrated as his finger found my clit.

A strangled cry escaped my mouth. Sebastian smothered the sound with his lips. He kissed me hard as his fingers explored between my legs.

We were in a hall of the mansion. I didn't recognize it. My room was in a different wing of the sprawling estate. After we'd finished fucking on the hill, Sebastian had pulled me to my feet and led me off into the dark. I was drunk and light-headed with the afterglow of sex. I'd followed eagerly even though I knew it was a bad idea. We'd stumbled through the night and wound up inside the mansion. Drunkenly, I'd asked Sebastian if he knew where he was going. He'd responded Shagged 2: A British Stepbrother Romance (A Royal Affair) by pushing me against the wall, and well... you know the rest.

His fingers slid inside me. My pussy was wet and throbbing from our encounter outside. I'd already cum once tonight and felt like I was on the verge a second time. It Shagged 2: A British Stepbrother Romance (A Royal Affair) was ridiculous. I've never had multiple Shagged 2: A British Stepbrother Romance (A Royal Affair) orgasms before. But here I was wet and moaning. The familiar stirring of an orgasm was building strength inside me.

I looked around. The hallway was long and poorly lit. There were multiple rooms to both my left and right. Anyone could show up and discover us. Then what?

Sebastian pulled my top down exposing my breasts. He sucked on my nipples, teasing them with a flick of his tongue. Shagged 2: A British Stepbrother Romance (A Royal Affair) I didn't want him to stop, but we needed to get out of this hallway.

"I should go," I moaned.

“What?” he asked. He looked up at me with glassy, drunk eyes.

“The hall...” I said, not quite sure of how to articulate my fear of discovery.

Sebastian stuck his hands in his pockets, searching for something. Finally, he found what he was looking for: a room key. He shoved it into the door to my left. It didn't work. He looked up, then around. He turned with a confused look on his face and shoved the key into the door on the opposite side of the hallway. This time it worked. He grabbed my hand and pulled me into the room.

“Sebastian, I don't think this is a good idea.”

He responded by pulling off my dress. I stood before him wearing *Shagged 2: A British Stepbrother Romance (A Royal Affair)* nothing but my high heels.

“What *Shagged 2: A British Stepbrother Romance (A Royal Affair)* if Charlotte finds us?” I asked.

“Why would Charlotte find us?”

Shagged 2: A British Stepbrother Romance (A Royal Affair)

“Well, I mean, what if she comes to your room tonight?”

“Charlotte and I have never slept together.”

“Really?”

Were they saving sex for marriage? The idea of Sebastian abstaining until his wedding night made me want to laugh. He was a manwhore through and through. I couldn't imagine him waiting. He could barely contain himself now.

He took off his jacket and shirt. The sight of his muscular chest was distracting. What little sense I had fled in the face of his naked body.

Sebastian pulled off his pants and boxers. We stared at each other for a Shagged 2: A British Stepbrother Romance (A Royal Affair) second, as if each of us was afraid of making the first move. His cock Shagged 2: A British Stepbrother Romance (A Royal Affair) was hard and thick; my pussy pulsed at the sight of it.

My eyes drifted down to his hand; he held his belt. I bit my lip, as I tried to keep a smile from spreading across my face. Shagged 2: A British Stepbrother Romance (A Royal Affair)

“What are you going to do with that?” I asked coyly.

“Get over here,” he ordered.

“Make me.”

Excitement Shagged 2: A British Stepbrother Romance (A Royal Affair) overwhelmed me. I loved to be spanked. How was it that Sebastian Shagged 2: A British Stepbrother Romance (A Royal Affair) could read me so well? Maybe he wasn't reading me, maybe he just instinctively knew. We had more in common than either of us wanted to admit. Sebastian sat down.

“On your knees,” he ordered.

I hesitated, only because I wanted to see how he'd react.

“Do it or I’ll punish you,” he said with a boyish smile.

I got down on my hands and knees and crawled across the floor to him. I touched his leg and ran my hand up his thigh towards his cock. He grabbed my wrist.

“Not yet. Patience, love.”

Sebastian pulled me up and bent me over his knee. My heart raced. I’d only ever been spanked once before. It was by an ex-boyfriend. I’d asked him to it, but he wasn’t up for it. He only lightly whipped me, then asked to move on. The experience was disappointing. Afterwards, I couldn’t help thinking of him as weak. The relationship ended shortly thereafter.

Sebastian wasn’t weak; I could see that immediately. He ran his hand over the small of my back, then down my ass. A shiver shot up my spine. He spanked me once with his bare hand. A small yelp escaped my mouth. My breath came in quick gasps.

“Do you still want to leave?” he asked.

“No,” I moaned.

He spanked me again with his bare hand, then started to finger me. He rubbed my clit in slow circles as he ran the leather Shagged 2: A British Stepbrother Romance (A Royal Affair) belt over my backside. I squirmed and panted.

“You’re a bad girl, aren’t you?”

Shagged 2: A British Stepbrother Romance (A Royal Affair)

Before I could respond the belt cut across my ass. I cried out. My skin burned hot; my pussy pulsed wetly. I was breathing heavily now. I could barely stay still.

The belt cracked as it made contact with my backside a Shagged 2: A British Stepbrother Romance (A Royal Affair) second time. I dug my nails into Sebastian’s naked thigh. If it hurt he gave no indication.

The belt came down on me again and again. By the time he was finished, I was on the verge of cumming. Sebastian suddenly lifted me up. I was limp like a doll. The spanking had left me feeling exhausted.

I straddled Sebastian and quickly slid down onto his cock. He was big, but my pussy was wet and juicy. I felt my body stretch to accommodate him. I moved my hips in slow circles while bouncing on top of him.
