## Prologue

### Rachel

“Hi Rachel. It’s good to hear from you.”

“Hey, Becky,” I said softly, trying not to break down over the phone. It was the last thing I wanted to do. “Is Matthew with you?” I thought bringing up Matthew to divert her attention would help, but it didn’t.

She chuckled lightly. “Sorry. Matthew was tickling me. He says hi.”

“Tell him I said hi, too.”

“Is everything okay? You’ve never called me this late before. I mean, its nine o’clock here, but it’s midnight in New York.”

“I...it’s just that. I’m going to take a mini vacation.”

“What happened?” My sister’s voice was concerned. I imagined her getting out of bed.

I tried my best to maintain composure, but her big-sisterly voice—the one that always soothed me and gave me reassurance—made me utterly lose it. Tears burst forth, *Something Amazing: (Book 4) Stand-Alone, Spin-Off to Something Great Series (Bk 5 Nov. 8, 2015)* which she definitely heard. “We broke up.”

---

“What? Why?” Her pitch rose Something Amazing: (Book 4) Stand-Alone, Spin-Off to Something Great Series (Bk 5 Nov. 8, 2015) higher.

“It’s kind of Matthew’s fault.” My lips quivered as tears ran down my cheeks.

I heard a slap and Matthew’s shout. “Ouch! What was that for? You better watch it, Becca, ‘cause you’re turning me on. I don’t care if it’s your baby sister on the phone. I’ll make you come big time. She’ll be hearing Matthew and Becca porn.”

*Oh my God!* I let out a snort. That seemed to stop the tears for a bit. “Don’t hurt him. He didn’t do anything.”

“I’ll be right back,” I heard her tell Matthew. “Okay, sorry about that, Rachel. What do you mean you and Greg broke up? What happened? Tell me everything.”

Tell her everything? Where do you start when there is so much to tell? “I don’t love him anymore.”

“Are you sure?”

“Becky...remember when you told me about Jenna? How she was going Something Amazing: (Book 4) Stand-Alone, Spin-Off to Something Great Series (Bk 5 Nov. 8, 2015) out with a safe guy, but her heart wasn’t really there?”

“Yes.”

“I think that’s how it is with me. I just didn’t know it until I saw how Max and Matthew were. When you hear about it, it’s one thing, but when you see it with your own eyes it becomes real. My eyes were opened when I came to visit you. I had loved Greg for the past Something Amazing: (Book 4) Stand-Alone, Spin-Off to Something Great Series (Bk 5 Nov. 8, 2015) two years, but I don’t think he’s the one for me; the one I want forever with.”

“As much as I really like Greg, I’m on your side. If you’re not Something Amazing: (Book 4) Stand-Alone, Spin-Off to Something Great Series (Bk 5 Nov. 8, 2015) happy with him, then it’s better that you found out sooner rather than later.”

“I want to know what it feels like to love, and be loved, the way you and Matthew love each other. There’s so much respect, honesty, and...passion.” I was kind of shy Something Amazing: (Book 4) Stand-Alone, Spin-Off to Something Great Series (Bk 5 Nov. 8, 2015) saying that word, but sex was a big deal in a relationship.

“Did you talk to Greg about this?”

“I did. Greg is a great guy, but there’s....” I couldn’t finish the sentence.

“Well, look. Surely you and Greg weren’t meant to be. You’re Something Amazing: (Book 4)

---

Stand-Alone, Spin-Off to Something Great Series (Bk 5 Nov. 8, 2015) still so inexperienced, fresh out of college. You should date around.”

I released a heavy sigh and sniffed. “I know. There’s a part of me that feels relief, and a part of me that’s hurting.” The tears that I’d tried to keep at bay escaped from the corners of Something Amazing: (Book 4) Stand-Alone, Spin-Off to Something Great Series (Bk 5 Nov. 8, 2015) my Something Amazing: (Book 4) Stand-Alone, Spin-Off to Something Great Series (Bk 5 Nov. 8, 2015) eyes.

“I understand. I’m so sorry. Breaking up is hard, especially when you’ve been together for so long. Want to come visit me?”

“Actually, the reason I called was to let you know that I’m going to Kauai with Stacey.”

“Your roommate, Stacey?”

“Yes. Don’t worry. I’ll make it to your wedding rehearsal.”

“Okay. Do Mom and Dad know?”

“Yes. They know about the break up and my trip. I’m sure they’ll be calling you tomorrow.”

“Thanks for the warning.”

“What are sisters for? Anyway, I’ll let you go. Thanks for listening.”

There was a silent pause. I knew Becky didn’t want to hang up because she was worried about me. The truth was, though I was hurting, I felt a sense of freedom. Was this a temporary thing? Had I made a mistake? I guessed time would let me know.

“Any time, Rachel. Do me a favor?”

“Anything. What is it?”

“When you get there, don’t sulk. Forget Greg. Forget everything. Go out with hot surfer guys. Have a blast with Stacey. Be free and make out with lots of guys, but be responsible. Do what you were supposed to be doing for the past two years.”

“Okay,” I said. I didn’t know about the hot surfer guys, but I would definitely leave all my worries behind and go to a peaceful place to help me clear my head. “Thank you. I’ll see you soon.”

I heard Becky giggle and moan, even though she probably didn’t mean for me to hear. “Come to bed. It’s cold without you,” I heard Matthew’s voice murmur. I didn’t know if that was meant for me to Something Amazing: (Book 4) Stand-Alone, Spin-Off to Something Great Series (Bk 5 Nov. 8, 2015) hear either, but it made me smile. I loved how playful Matthew was. I meant it

when I'd said it was Matthew's fault. He'd made me see what type of man I wanted forever with. From all of the shuffling and steps on the other end of the line, I assumed that Matthew was carrying her to bed.

"Call or text me to let me know you're safe. Call me anytime. You'll be three hours behind my time zone. And I'm really sorry about the breakup. It's always hard, no matter the reason. Love ya."

"Love you, too. Bye, Becky. Say good-bye to Matthew for me."

"Bye, Rachel," Matthew said. I was surprised to hear his voice. "Sorry about Greg. The one that's meant for you will come when least expected. I'm talking from experience. When you get there, go to Poipu. My friend owns a restaurant on the beach called Ocean Front. You can't miss it. It's the only one there. His name is Hendrix. I'll give him a call. Something Amazing: (Book 4) Stand-Alone, Spin-Off to Something Great Series (Bk 5 Nov. 8, 2015) When do you leave for Kauai?"

"Next week. I haven't made any reservations yet. Stacey and I decided spur of the moment."

"Good. I won't take Something Amazing: (Book 4) Stand-Alone, Spin-Off to Something Great Series (Bk 5 Nov. 8, 2015) no for an answer. I can set both of you up at Koloa Landing. I'll call tomorrow. Have a great time and be safe. You're my sister now, and I'm going to treat you like one, Something Amazing: (Book 4) Stand-Alone, Spin-Off to Something Great Series (Bk 5 Nov. 8, 2015) so guys better beware." I heard a sweet, manly chuckle, half serious and half teasing. Being the type of person he was, I knew he spoke the truth.

"Thank you, Matthew."

"By the way, you should be getting a phone call tomorrow. The Something Amazing: (Book 4) Stand-Alone, Spin-Off to Something Great Series (Bk 5 Nov. 8, 2015) photography department loved your work. The job is yours if you want it."
