ACKNOWLEDGEMENTS

I wish to thank all those who helped make this book possible. Without the help of so many fine people this book would have been a major task. I give my deepest thanks and gratitude to Laura Leggett, who diligently worked on this manuscript. I also thank Darlene Dryer, whose beautiful illustrations have enhanced this book. Likewise, I thank Jo Ann Vaccarino for her cover design and her inspiring cover photograph taken at Lake Metroparks in Cleveland, Ohio. Thank you to attorney Robert Rosplock, Lydia Balson, and my mother-in-law Margaret Wells whose editing and advice were major contributions. I also wish to thank my office staff—Robin Gaw, Barbara Grae, Carol Grovemiller, Tonya Simmons, and Amanda Zieske—who have worked with

me for many years and who helped bring together information needed for this book.

Finally, this book is dedicated to the patients who gave me the opportunity to listen and understand their conditions. Their struggle to find relief from pain and suffering gave me the drive and determination to find an effective recovery protocol.
