The First Section of the book is an introduction to the next step in the The Conscious Feminine. The Next Step in the Development of the Feminine. development of the Feminine, which is the Conscious Feminine.

The Second Section is an attempt to begin to differentiate the elements of water and earth, from a psychological and a spiritual perspective.

The Third Section is about working with women on a soul level, particularly women who are carrying the new Feminine Consciousness. This is information for women whether they are in therapy or The Conscious Feminine. The Next Step in the Development of the Feminine. not and if they are in therapy, it is for clients and therapists.
