The Domville 6

Foreword

Written as standalone quick erotic reads, *The Domville* novellas are told in alternating points of view of the hotel guests and/or staff.

Not all of them are guaranteed a happy ever after, The Domville 6 and some explore topics and push boundaries that I felt strongly enough about to explore. I hope that you enjoy them!

Dedication

The Domville 6 is dedicated to Toni Carr, who came up with the idea of long term friends suddenly sharing a moment of passion at a school reunion.

The Domville 6

I'm so lucky to have so many people who have followed me from my debut novel back in January 2014. Toni is one of those ladies who fell in love with Gabe Austin on first read and has supported me ever since. Not only does she write heartfelt and detailed reviews, but she's recently become one of my beta readers, too. She tests out my first drafts and helps me shape them into better books, the ones that you, the reader, get to download and enjoy.

I was lucky enough to meet Toni at the Second City Signing Event in Birmingham. She is a genuine and down to earth lady, one I'm happy to call a friend. I hope that we can meet again soon. Thank you for all that you do and for The Domville 6 your support and friendship.

The History of The Domville

Mr. Domville

The Domville chain of six star hotels is my pride and joy. It took me years of hard work to The Domville 6 build up to the opening of the flagship hotel in New York, but it set the benchmark for all other hotels. I now have one in every major city in the world. All hotels aspire to offer the level of comfort, service, and extra finishing touches that have become standard in The Domville 6 my chain.

Luxury is a word that has become synonymous with The Domville and I intend for it to stay that way, especially in my Signature suites, the crème de la crème of hotel penthouses, affordable only to the rich and famous. They are protected by bulletproof glass, and the interiors are adorned with suede and calf-leather walls, The Domville 6 18-carat gold trim, and priceless works of art and artefacts. We also only use luxurious 1200 The Domville 6 thread count Egyptian cotton sheets embroidered with 22-carat gold, at \$2,400 a sheet. What really sets us apart though, are state-of-the-art heat signature cameras that enable staff to observe and come and go undetected as they clean up and replenish supplies.

My staff are only appointed after a long and vigorous assessment, our customer service has to be second to none, and when it comes to our Signature suite guests, nothing is too much trouble. Nothing is impossible.

As for my guests, well, they come from all walks of life, The Domville 6 The Domville 6 but The Domville 6 the one overriding common denominator is money. My guests are people of means. They pay top dollar because they expect the best and that's what we offer, no exceptions. While my clientele may be financially secure, it goes without saying that their private lives can be somewhat risqué. If only I had normal cameras to capture what The Domville 6 really happened in my hotel suites, then I truly would be the richest man in the world.

There's a well-known saying that most definitely applies to the guests of The Domville, no matter which country they may be staying in.

No one The Domville 6 knows what goes on behind closed doors.
