Could there be more than one? Yes, there are sightings which have happened all over the US and Canada. There are the rock throwers near Modesto, California; Oregon has it's quiet and shy big foot; and Green Springs, Colorado has the garbage can raiders.

Arizona's big The Mogollon Monster, Arizona's Bigfoot foot seems to display the The Mogollon Monster, Arizona's Bigfoot same basic characteristics as the others with a few exceptions. It seems to be very territorial. It has both vegetarian and carnivorous

diets. And, it is sometimes very violent.
