Introduction

Wondering how you can create a soap that you'll love and speaks of your personality?

Many people wonder the same too. Mass produced commercially-made soaps are all good and well, but they don't really carry that unique scent and feel that comes with a personally created soap.

The good thing is you can mark your own signature scent, lather, and texture on soaps in your bathroom soap The Soap Making Books: Guide to Making Natural Homemade Soaps (Soap Making for Beginners) that can't be found in the store shelves. You can create a bar of soap and call it uniquely your own because you know precisely what went into it during the process. You can edit the ingredients to achieve a different scent or texture, or provide added benefits of moisturizing, whitening, exfoliating The Soap Making Books: Guide to Making Natural Homemade Soaps (Soap Making for Beginners) etc. Suffice to say, homemade soap making allows you to have control over how you want your soap exactly to be.

Tempting, right?

But if you're like many people who is afraid of creating soap on their own and in their homes, there's a secret that you need to know: soap is much as an art as it is as science. It's The Soap Making Books: Guide to Making Natural Homemade Soaps (Soap Making for Beginners)

common The Soap Making Books: Guide to Making Natural Homemade Soaps (Soap Making for Beginners) knowledge that soaps are made of chemicals. Commercial soaps list chemical ingredients that are difficult to spell and pronounce. With homemade soaps, you don't even have to go that far. You only need to know that soap is the product of interaction of its basic ingredients – fat, water and the chemical compound sodium hydroxide (or lye).

As for the artistic aspect, if you like the idea of combining scents, textures, forms and quality of lather, then soap-making is definitely for you. These are areas in soap-making that allows you to experiment quite freely so you can produce a bar of soap that's ultimately for your liking.

The Soap Making Books: Guide to Making Natural Homemade Soaps will help you achieve the type of soap that you will love, you will use and probably even sell in the long run. The magic of homemade soap-making with this book lies with these benefits:

-
1. You will learn to produce personalized soaps. It is exciting to put your own signature in your soap. It gives you the confidence to claim it and call it your own.

- 2.
