The Taming of the Prude: Book 3 in the Naughty Shakespeare Series
[Prologue--New Orleans, 1880](#)

“Darling, what is the matter?”

Kate looked at her weeping sister, bemused at the way the young woman pressed her hands to her face and rocked back in forth. Bianca had always had a flair for the dramatic and being married for six months had done nothing to diminish it.

If anything it had made it worse!

“Lucentio, doesn’t really love me,” Bianca wailed. “He’s cheating on me with the lady down the street.”

Kate smothered a smile. Every week Bianca declared that her husband Lucentio was having an affair with a different woman. Last time he had supposedly been sneaking out of the house to spend time with the plump seamstress who owned a shop two streets over.

As far as Kate could tell, Lucentio didn’t have the gumption to cheat on Bianca.

He was far too busy being harassed by her endless demands!

“Bianca, darling,” Kate said, patting her sister on the back. “You really must try to put aside all this nonsense. Lucentio is not cheating on you. Sometimes men need a break from the domestic life. He is more likely surrounding himself with the other drunken fools who haunt the tavern every night.”

"You think so?" Bianca raised her tear stained face, hopefully. "Does Petruchio do that, too?"

Not unless he asks permission, Kate thought.

But she knew better than to say that out loud.

There were arrangements and falsities to keep up in her marriage. It would do no good to explain to her sister the beautiful union of minds she and Petruchio had come up with in order to bring peace to them both. Bianca was hardly capable of understanding the complex needs of certain individuals. Her fragile mind wasn't strong enough to understand that sometimes the pleasures of the flesh outweighed all other matters.

Unless, of course, that was the real problem.

Bianca had yet to experience any real pleasure in her marriage bed.

"Bianca, you know I'm not one to pry," The Taming of the Prude: Book 3 in the Naughty Shakespeare Series Kate said, twirling a piece of her curly blonde hair. "But I wonder if...well, are things...going well in the bedroom."

Bianca The Taming of the Prude: Book 3 in the Naughty Shakespeare Series lowered her eyes and Kate knew she'd hit upon the truth of the matter.

"I see," Kate said when The Taming of the Prude: Book 3 in the Naughty Shakespeare Series Bianca did not answer. "Well, perhaps if we fix the problem there then you'll feel a bit more confident in everything else."

"Kate, he doesn't want me in bed," Bianca whispered, pain flitting across her face. "He just looks at me as if he can't bear to touch me."

"Have you been intimate at all?"

"On our The Taming of the Prude: Book 3 in the Naughty Shakespeare Series wedding night." Bianca's eyes went misty. "It was wonderful. I'd never felt so...so...wild, but Lucentio...he seemed...shocked that I enjoyed it."

Ah. That explained it. Lucentio came from a very traditional family. Kate could easily imagine that he would expect his wife to be nothing but a submissive, blushing flower in the bedroom. If Bianca was The Taming of the Prude: Book 3 in the Naughty Shakespeare Series anything like Kate though...

A blushing flower was not the most apt phrase to describe her with.

"So in three months, that's it?" Kate asked. "You've never tried again?"

"Yes, but any time I start to feel excited during the act, he gets this strange look on his face.

Once he even alluded that only whores and prostitutes enjoy sex," Bianca said. "Do you think that's true? Do you enjoy it when Petruchio does it to you?"

Again, Kate forced herself to smother a laugh.

Perhaps Bianca did need to hear about the arrangement Kate shared with her husband.

"Bianca, I'm going to tell you a secret," Kate said. "But you must swear to keep it."

"Anything, Kate. I won't tell anyone."

"The thing is Bianca, this is a secret that may be of use to you. It may help you in your own marriage."

Bianca's eyes widened with interest.

"Have I ever told you how I spent my marriage night?" Kate smiled, already knowing the answer before her sister shook her head. "With my husband tied up. Naked."

"Naked?" Bianca was horrified. "Did he hurt you? Is that why you tied him up? Oh, my poor sister."

"Don't be so quick to judge, Bianca. He enjoyed it."

"What? I don't understand."

"Let me back up *The Taming of the Prude: Book 3 in the Naughty Shakespeare Series* a bit. I'll start from the courtship."

"It was a rough one, as I recall," Bianca said with a guilty blush.

"Rough is a kind word. It was chaotic and cruel," Kate said. "Our father was a tyrant on the subject of my marriage. He didn't care about my feelings at all."

"I remember."

"You remember what Petruchio and I allowed you and everyone *The Taming of the Prude: Book 3 in the Naughty Shakespeare Series* else to see. There was more. So much more."

"Tell *The Taming of the Prude: Book 3 in the Naughty Shakespeare Series* me."

Kate smiled.

"Alright darling, sister. In the beginning, there was a courtyard."

Kate sighed, as the memories came back.

“That is where my husband to be first made love to me.”

She grinned.

*“If you can call what *The Taming of the Prude: Book 3 in the Naughty Shakespeare Series* we *The Taming of the Prude: Book 3 in the Naughty Shakespeare Series* did making love.”*

“I won’t marry just anyone!” Kate announced. Her blue eyes *The Taming of the Prude: Book 3 in the Naughty Shakespeare Series* flashed with temper and her hands were on her hips. “You can’t make me!”

“My darling, daughter!” Her father smiled in the way she always found condescending and smug. “It’s all been arranged. *The Taming of the Prude: Book 3 in the Naughty Shakespeare Series* The man has agreed to your dowry and you shall be married to him in two days time.”

“Two days? Two days!” Kate’s voice raised an octave, making her father wince. “Have you lost your mind? I can’t marry someone I don’t know!”

“You can and you *The Taming of the Prude: Book 3 in the Naughty Shakespeare Series* will!” He stood and walked around his desk *The Taming of the Prude: Book 3 in the Naughty Shakespeare Series* to face her. “It’s high time you understood that you are the daughter of Baptista Minola! I am an important business man here in New Orleans, and I’m sick to death of being laughed at in the streets by people who think I can’t control my own daughter. They call you a shrew, Kate! A wretched wench who can’t ever be satisfied with anything she’s given!”
