## ACKNOWLEDGEMENTS

I want to thank all of the friends, family, and colleagues that helped me in *The Ten Minute Cognitive Workout: Manage Your Mood and Change Your Life in Ten Minutes a Day* the writing of this book.

I owe a *The Ten Minute Cognitive Workout: Manage Your Mood and Change Your Life in Ten Minutes a Day* debt of *The Ten Minute Cognitive Workout: Manage Your Mood and Change Your Life in Ten Minutes a Day* gratitude to research psychologist and author Larry Rosen, Ph.D. for his helpful and astute editorial comments on my manuscript. I also want to thank author David Hogan for his insightful feedback, comments, and suggestions. A large thank you to writer Hilliard Harper for his helpful suggestions and for finding time in his busy schedule to read through the manuscript. I am very grateful to clinical psychologist Vicki J. Nevins, Ph.D. for her comments, critique, and feedback, and to editor Jennifer Snyder whose eyes were the first to view the manuscript in its earliest and roughest form. Her comments were very helpful and encouraging. Thank you also to my good *The Ten Minute Cognitive Workout: Manage Your Mood and Change Your Life in Ten Minutes a Day* friend, educator Mary Ann Harper, for giving of her time to read the manuscript, for sharing her thoughts and reactions, and for her support and help in the promotion of the book. I'm grateful to my longtime friend, Constance Lauffer, whose research provided me with creative promotion and marketing strategies. Thank you to educator Jamie Carlson for her excellent suggestions regarding publication and marketing. I especially want to thank educator Kirstin Snyder for her assistance and ideas regarding marketing and promotion. Her steadfast support and encouragement are deeply appreciated.

Thank you to Linda Woll and Lisa Carroll for performing the exacting *The Ten Minute Cognitive Workout: Manage Your Mood and Change Your Life in Ten Minutes a Day* task of proofreading the manuscript. A heartfelt thank you to my partner, Marvin Many, for his careful perusal of the manuscript and for his patience, support and encouragement.

## INTRODUCTION

In my 35 years of clinical experience working with psychotherapy clients, I have witnessed people struggle with troubling and painful emotions. Many reported having behaviors that undermined their ability to lead gratifying and successful lives. The Ten Minute Cognitive Workout: Manage Your Mood and Change Your Life in Ten Minutes a Day After months, sometimes years, of psychotherapy, most learned to replace negative emotions with positive ones and to modify their self-defeating behaviors. During the last eight years of my clinical practice, I developed the Cognitive Workout. It's a simple, easy to learn, exercise designed to manage The Ten Minute Cognitive Workout: Manage Your Mood and Change Your Life in Ten Minutes a Day mood and change behavior. I have taught the exercise to many of my clients. I

---

was pleased to discover that those clients who consistently performed the exercise experienced a rapid improvement in their psychological symptoms.

Doing this simple exercise can improve mood, increase self-confidence, and foster a positive outlook on life. These changes in mood, self-concept, and outlook can The Ten Minute Cognitive Workout: Manage Your Mood and Change Your Life in Ten Minutes a Day produce positive changes in behavior. As the title suggests, the exercise requires an investment of only ten minutes a day.

## THE TEN MINUTE COGNITIVE WORKOUT

### CHAPTER I

#### WHY DO THE COGNITIVE WORKOUT?

You can attain a new sense of well-being by investing only ten minutes a day in one The Ten Minute Cognitive Workout: Manage Your Mood and Change Your Life in Ten Minutes a Day simple exercise. With the Ten Minute Cognitive Workout you can not only improve your mood, you can also feel more calm and in control. You will find yourself embracing each and every day. You'll be feeling more confident, and your confidence will be expressed in your behavior. In time, you will have achieved an ongoing state of joy and peace. And it only takes ten minutes a day.

Happiness Is Great ... But Joy Is Better

Happiness is dependent on external circumstances. Happiness can ebb and flow based on

---

changes in your external situation. Joy is an internal, relatively constant condition. Joy comes from within and feels like a stable part of who you are.

Both happiness and joy are worthy goals. You can attain both. Performing this The Ten Minute Cognitive Workout: Manage Your Mood and Change Your Life in Ten Minutes a Day simple ten minute exercise can evoke a feeling of happiness. Making the Cognitive Workout an ongoing part of your daily routine can eventually result in a state of inner joy.

Emotional states such as despondency, anger, discouragement, frustration, anxiety, or stress can The Ten Minute Cognitive Workout: Manage Your Mood and Change Your Life in Ten Minutes a Day undermine one's ability to enjoy life. For example, a man might want more intimacy with his wife, but his irritable mood is creating distance. A positive change in his emotional state could bring about the desired emotional closeness.

There are times when an ongoing behavior interferes with the attainment of a specific goal. For example, a woman seeks a promotion at work, but her failure to meet deadlines is hurting her chance of advancement. Managing her time better could help her get that promotion.

## WHAT IS THE COGNITIVE WORKOUT?

The Cognitive Workout is based on the principles The Ten Minute Cognitive Workout: Manage Your Mood and Change Your Life in Ten Minutes a Day of Cognitive Behavioral Therapy. One of the basic tenets of Cognitive Behavioral Therapy is that what we think directly affects how we feel. Our thoughts govern our emotions. If we change our thoughts, we The Ten Minute Cognitive Workout: Manage Your Mood and Change Your Life in Ten Minutes a Day can change our emotions. As a result, we can also change our behavior.

Changing our thoughts is accomplished via a process The Ten Minute Cognitive Workout: Manage Your Mood and Change Your Life in Ten Minutes a Day called Cognitive Restructuring, a technique used in Cognitive Behavioral Therapy. Cognitive Restructuring involves eliminating thoughts which are negative, irrational, or dysfunctional and replacing them with positive, rational, functional thoughts. Positive thoughts elicit positive emotions. Thoughts which are positive, rational, The Ten Minute Cognitive Workout: Manage Your Mood and Change Your Life in Ten Minutes a Day and functional produce behaviors which The Ten Minute Cognitive Workout: Manage Your Mood and Change Your Life in Ten Minutes a Day are positive, rational, and functional. Cognitive Restructuring allows us to manage our moods and change our behaviors in positive ways.
