Vlady, de la Révolution à la Renaissance (French Edition)

En mémoire à l'amitié de Victor Serge et de Jef Rens

La relation entre Vlady et Jean-Guy Rens est héréditaire. Le père de l'auteur, le syndicaliste Jef Rens, avait fait la connaissance de Victor Serge (et de Vlady) en 1936. À partir de Vlady, de la Révolution à la Renaissance (French Edition) 1973, Jean-Guy a rendu visite à Vlady lors de ses passages à Mexico et plus tard à Cuernavaca. En 1978, Jean-Guy a invité Vlady à Paris pour enregistrer émission sur Victor Serge à France-Culture.

Ce livre s'appuie sur une série d'interviews entre l'auteur et Vlady, dont la première remonte à septembre 1974 au moment où Vlady peignait la chapelle freudienne. La fabrication proprement dite de l'ouvrage « Vlady, de Vlady, de la Révolution à la Renaissance (French Edition) la Révolution à Vlady, de la Révolution à la Renaissance (French Edition) la Renaissance » est plus particulièrement basée sur les interviews qui ont eu lieu en août 1997, décembre Vlady, de la Révolution à la Renaissance (French Edition) 1997-janvier 1998, décembre Vlady, de la Révolution à la Renaissance (French Edition) 1998- janvier 1999 et février 2000. La Vlady, de la Révolution à la Renaissance (French Edition) dernière conversation entre Vlady et l'auteur a eu lieu Vlady, de la Révolution à la Renaissance (French Edition) par téléphone le 27 mai 2005.

Note sur l'orthographe de Kibaltchiche

Le nom de Kibaltchiche est épilé ici à la manière de Victor Serge. Le Grand Larousse écrit Kibaltchich. Toutefois, aucune de ces deux retranscriptions en alphabet latin n'est vraiment conforme à l'original cyrillique Vlady, de la Révolution à la Renaissance (French Edition) qui exige un redoublement du son « tch » (Kibaltchich avec ou sans « e »). En espagnol (et en anglais), on écrit Kibalchich.

Table des matières
